ACKNOWLEDGEMENT

I intend to register my heartfelt indebtedness with warm regards to my research mentor Dr. S. Raveendran, M.Sc., M.Phil., Ph.D., M.Ed., B.L.I.S., Reader, P.G. and Research Department of Zoology, Khadir Mohideen College, Adirampattinam, for his suggesting the problem, chalking out different strategies to tackle the problem, continued encouragement and able guidance at every stage of my work. He allowed me to work independently but was always available when I needed advice. His professional experience and extensive contacts have contributed greatly to my research work. He introduced me to this enlightening field of research and started me on the path that led to this Ph.D. Thesis.

I thank our gracious Dr. A. Mohamed Abdul Khader, Principal, Khadir Mohideen College, Adirampattinam, for the completion of the study.

I am grateful to Prof. K. Nagoor Meeran, Head, P.G. and Research Department of Zoology, Khadir Mohideen College, Adirampattinam, for his encouragement and valuable suggestions.

I am highly indebted to Prof. T. A. Nazeer Ahamed, Dr. S.V.S. Ammanulla Hameed, Dr. P. Kumarasamy, Dr. A. Amsath, Dr. Muthukumaravel and Mr. O. Sathick, P.G. and Research Department of Zoology, Khadir Mohideen College, Adirampattinam, for their valuable suggestions and help in finishing the thesis.

I owe my sincere thanks to Dr. A. Amsath, M.Sc., M.Phil., Ph.D., Reader, P.G. and Research Department of Zoology, Khadir Mohideen College, Adirampattinam, for his valuable suggestion and for improvement of the work and involvement in this Ph.D. Thesis.
I have great pleasure in expressing my sincere thanks to Dr. G. Sridharan, M.Sc., M.Phil., Ph.D., Reader, P.G. and Research Department of Zoology, Rajah Serfoji Government College (Autonomous), Thanjavur, for providing me all the necessary help to complete my this work.

I am immensely grateful to Dr. M. Boominathan, M.Sc., M.Phil., Ph.D., Head, P.G. and Research Department of Biotechnology, Marudupandiyar College, Thanjavur, for his valuable guidance and suggestions throughout the tenure of this work. I acknowledge his kind help and constant encouragement with a deep sense of gratitude.

I am indebted to Dr. P. Murugaian, M.Sc., M. Tech., Ph.D., Department of Biotechnology, Vinayaka Missions University, Salem and Mr. K. Ayyathurai, M.Sc., M.Phil., Ph.D., Department of Chemistry, Jairam Engineering College, Chennai Vinayaka Missions University, Salem, for their moral support in doing this project successfully.

Let me thank Mr. M. Natarajan, M.Sc., M.Phil., PGDCA., Lecturer, post graduate Department of Biochemistry, Enathi Rajappa College of Arts and Science, Pattukkottai and Mr. S. Nethaji, M.Sc., M.Phil., Ph.D., Head, P.G. and Research Department of Biochemistry, Marudupandiyar College, Thanjavur, for their support in the completion of my work.

I owe my sincere thanks to Mr. P. Ayyappan, M.C.A., M.Phil., and Mr. U. Pothiyappan, Directors, PRILS Research Institute, Pattukkottai, for their support in the completion of my work.
It is of course a pleasure to thank the Forest Authorities and The Local Fisherman at Vedaranyam Mangrove Forest, for their inspiring ideas and encouraging participation in sample collection.

I like to express my profound thanks to all the staff members and the men of lab works in PRILS Research Institute at Pattukkottai who assisted me to carry out my project work.

Let me thank Mr. K. Nadimuthu and Mr. B. Rajaesh, for providing me all facilities at Vedaranyam study station to collect the infected and live fish for the working lab to carry out this work successfully.

I express my thanks to my Father, Mother, Sisters and Brother-in-law for their support cooperation patience and care that strongly supported my study.

It is my pleasure to express my special thanks to my Friends and Relatives, who have played an important role in the successful completion of this study.

“Praises can be lifted only from a grateful heart”. My lips wish to pray thanks to my redeemer and fortress, the Almighty GOD who has initiated strength and willpower to bring my thesis to utmost success.

(V. RAMAMURTHY)
