ACKNOWLEDGMENTS

With great regards, I gratefully acknowledge here with my sincere thanks and
grateful to Dr. S. Balu, M.Sc., M.Phil., Ph.D., Reader in Botany, A.V.V.M. Sri Pushpam College,
Poondi, for suggesting the problem, his continuous guidance, valuable suggestions,
encouragements and kindness throughout this study.

I am indebted to Shri. Thulasiah Vandayar, Secretary and Correspondent and
Dr. S. Raman, Principal, A.V.V.M. Sri Pushpam College, Poondi, for providing permission
and laboratory facilities to carry out the work.

I am extremely grateful to Dr. C. Lakshmi Narasimman, M.Sc., Ph.D., Professor and
Head, Department of Botany and Microbiology, A.V.V.M. Sri Pushpam College, Poondi,
for his encouragement.

I express my deep sense of gratitude to Commissioner of Collegiate Education for
granting permission to do the research work on part-time basis.

My sincere thanks are due to Thiru. Sundararaman, M.Sc., M.Phil., Principal and
Dr. Natarajan, former Principal, Government Arts College, Karur, for extending the
necessary facilities to carry out some of the experiments.

My heartfelt thanks are due to Dr. V. Gopalakrishnan, M.Sc., Ph.D., Reader and Head,
Post Graduate and Research Department of Botany, Government Arts College, Karur, for providing
laboratory facilities, encouragement and for his help in pharmacognostical studies.

I owe a debt of gratitude to Dr. Meenakshi, Head of the Department of Biochemistry,
Cancer Research Institute, Adyar for her valuable suggestions and guidance.

I am very grateful to Thiru. S. Kavimani, M.Pharm., Head of the Department of
Pharmacology, Periyar College of Pharmaceutical Sciences for Girls, Tiruchirappalli for his help in conducting pharmacological studies.

My heartfelt thanks are due to Dr. P.K. Rath, M.D. (Pathology), Sea Horse Hospital,
Tiruchirappalli for his valuable help in haematological studies.

I am extremely grateful to Dr. N. Thajudeen, M.Sc., Ph.D., Senior Lecturer in
Microbiology, Bharathidasan University, Tiruchirappalli, for taking microphotographs.
I am grateful to Thiru. J. Selvamoney, M.Sc.,M.Phil., S.G. Lecturer in Botany (Retired), for his help in identifying the experimental plants.

I feel highly privileged to have been able to have wide-ranging discussions on various aspects of this work Dr. K.Udayan, M.Sc.,Ph.D.,Head of the Dept. of Botany, Bharathiar University and Dr. K. Brindha, Head of the Dept. of Pharmacognosy, C.S.D.R.I., Chennai.

It is my duty to thank all the members of the staff of the Post Graduate and Research Department of Botany, Government Arts College, Karur, for their help and cooperation throughout the study.

I also thank Thiru. M. Manivel, M.Sc.,M.Phil.,B.Ed. and S. Neelamegam, M.Sc.,B.Ed. for their help in completing the work.

My thanks are also due to my family members for their help and cooperation.

Last but not the least, I thank Thiru. P. Velayutham, M.Sc.,M.Phil.,M.Ed., Lecturer in Botany, Government Arts College, Karur and Miss. Brindha, Arnica Computers, Karur, for making laser typesetting of the manuscript.

(A.M. SHANMUGHAM)
