## ACKNOWLEDGEMENT

I have great pleasure in writing this page in my thesis to acknowledge all those who have helped me to complete this work successfully.

First and foremost I would like to thank Almighty for carrying me through all testing times in the past five years. He has made my life more bountiful. May his Name be exalted, honored, and glorified.

I am deeply grateful to my supervisor, Dr. C. Ravichandran, Reader & Head, PG & Research Department of Environmental Sciences, Bishop Heber College, Trichy for his detailed and constructive comments and for his guiding support throughout this work. His understanding, encouraging and personal guidance have provided a good base for the thesis.

I would like to record my gratitude to co-advisor Dr. M.S.R. Swamy, Senior Manager, Environmental Cell, CPCL, Chennai for his supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. His wide knowledge and his logical way of thinking have been of great value for me. Above all and the most needed, he provided me unflinching encouragement and support in various ways.

I owe my sincere thanks to Prof. D. Swamiraj, Former Director, Bishop Heber College, Tiruchirappalli, for giving me this opportunity to do my Ph. D through this esteemed institution.

I sincerely thank Prof. Dr. Marcus Diephen Boominathan, Principal, Bishop Heber College for having given me this wonderful opportunity to do my Ph.D work, in Bishop Heber College, Trichy.

*I owe my most sincere gratitude to Mr. S. Ramesh, Manager, Training department, CPCL and Mr. P.K. Subramaniam, DGM, Environmental Cell, CPCL, Chennai who gave me the opportunity to work with them in the Department of Environmental Cell and gave me untiring help during my difficult moments.*

*I gratefully acknowledge Mrs. S. Ramapriya, Chemist, Environmental Cell, CPCL, Chennai for the help she has rendered me so willingly. What I owe to her cannot be expressed through simple words. I owe my thanks for her timely advice, supervision, and crucial contribution, which made this research successful. Her involvement with her originality has triggered and nourished my intellectual maturity which will benefit me for a long time to come.*

*I owe my deepest gratitude to Dr. V. Swaminathan, CMO, OHS, CPCL, Chennai for his timely help, support and advice throughout my project work. Without him this work could not be possible.*

*I deem it a great privilege and honour to record my deep sense of gratitude to Dr. Mrs. S. Kalavathy, Reader in Botany, Former Co-ordinator, P.G & Research Department of Environmental Sciences, Bishop Heber College for her selfless help, valuable suggestions and encouragement in the progress of my work.*

*I have also benefited by advice and guidance from Prof. A. Alagappa Moses, P.G. & Research Department of Environmental Sciences, Bishop Heber College, Trichy and Dr. Mrs. M. Vasanthy, Reader, Ecobiotechnology, Bharathidasan University, Trichy who always kindly granted her time for discussions.*

*I wish to express my warm and sincere thanks to Mr. J. Manalan, Librarian, Bishop Heber College, for his valuable advice and friendly help through out my work.*

*My deepest gratitude goes to my family for their unflagging love and support throughout my life; this dissertation is simply impossible without them. My parents deserve special mention for their inseparable support and prayers. I am indebted to my father, Mr. D. Jayabalan, for his care and love. As a typical father in an Indian family, he worked industriously to support the family and spare effort to provide the best possible environment for me to grow up and attend school. He had never complained in spite of all the hardships in his life. My mother, Mrs. D. Saraswathy is the person who put the fundament of my learning character, showing me the joy of intellectual pursuit ever since I was a child. She is the one who sincerely raised me with her caring and gently love. My uncle Mr. I.N. Prabhu and my aunty Mrs. S. Saradhambal have always been a constant source of encouragement during my schooldays study. I owe my thanks to my siblings for being supportive and caring.*

*I owe a special word of indebtedness to my friend Mr. S. Ramasubramanian and his family who were showed interest and encouraged me throughout the work. I also thank Ms. R. Sathya for her timely help and encouragement in the successful completion of this work.*

*I would like to express my thanks to Mrs. Rani Ravichandran for her support and encouragement through out the project work.*

*A special record of thanks goes to all of my friends who have helped me in one way or the other for the success of my endeavor.*

*The financial support of the Tamilnadu Government and UGC is gratefully acknowledged.*

*Finally, I would like to thank all people who have helped and inspired me during my doctoral study as well as express my apology that I could not mention personally one by one.*
