I am thankful to The Almighty for his abundant blessings and guidance throughout the project. I thank my parents for their understanding ways, their constant encouragement and support.

I express my deep sense of gratitude to my reverential Guide, Dr. K.M. Subbu Rathinam, M.Sc., M.Phil., Ph.D., Former-Head, Department of Biotechnology, J.J. College of Arts and Science, Pudukkottai for his exemplary guidance, persistent encouragement, constructive advice and inspiration that enabled me to do this work.

My special thanks to Prof. G. Prabhakar M.Pharm., Ph.D., Former-Head of the Department, A.U. College of Pharmaceutical Sciences, Andhra University, Visakhapatnam, who cooperated with me during my project work as a co-guide.

It is a great privilege to me to acknowledge Prof. T. Satyanarayana M.Pharm., Ph.D., Phytochemistry and Pharmacognosy Division, AU College of Pharmaceutical Sciences, Andhra
University, Visakhapatnam, AP for his valuable guidance and Inspiration rendered to me during the course of the project.

I rise my folder hands to record my bowful gratitude to the Principal, Prof. J. Parasuraman, M.A., M.B.A., M.C.A., M.Phil., B.Ed., and Management, of J.J. College of Arts and Science, Pudukkottai for their encouragement and support.

My Sincere thanks to all the staff members of the Department of Biotechnology, J.J. College of Arts and Science, Pudukkottai and the Department of Zoology, Rajah Serfoji Govt. College, Thanjavur for their help throughout the course of this work.

I am very much thankful to my parents, my family members and my friends for their encouragement and support.

A. RAVI KUMAR
