There are many people who have contributed in some way or other to the completion of this work, and I wish to place on record my deep sense of appreciation for their kind help.

I am very grateful to my Research Supervisor, Dr. (Mrs.) P. Geraldine, Reader, Department of Animal Science, Bharathidasan University, Tiruchirappalli, for having accepted me as her student. Her dynamism and competence were an unfailing source of inspiration to me and I sincerely acknowledge her advice, guidance and encouragement.

I sincerely thank Dr. M. Krishnan, Reader, Department of Biotechnology, Bharathidasan University, Tiruchirappalli, for permitting me to utilise the facilities of his laboratory and for the critical evaluation at every stage of my work. I am indebted to him for his kindness, advice and support all through the years of my work.

It is with great pleasure I express my gratitude to Dr. Philip A. Thomas, Professor, Department of Microbiology, St. Joseph’s Eye Hospital, Tiruchirappalli for the enlightening discussions and for always readily correcting the thesis inspite of his many other demanding commitments. I sincerely thank him for his advice and support and for all he has done for me during these many years.

I thankfully acknowledge Prof. M. R. Chandran, Co-ordinator, School of Life Sciences, and Head, Department of Animal Science, Prof. K. V. Krishnamurthy, Department of Plant Science, Prof. G. Subramanian, Head, Department of Microbiology, Prof. M. Vivekanadan, Head, Department of Biotechnology, and the elite faculty of the School of Life Sciences, Bharathidasan University, Tiruchirappalli, for their whole-hearted support during this course of study.
I thank **Dr. Brenda M. Sanders**, Professor, California State University, California, USA for the gift of hsp70 antibody.

I am thankful to **Dr. M. Michael Aruldhas**, Department of Endocrinology, ALM. PGIBMS, Taramani, Chennai for extending the gamma counter facility of the department. I also acknowledge the support and help rendered by **Dr. K. Balasubramanian, Dr. J. Arunakaran and Dr. Malini**, Department of Endocrinology, ALM. PGIBMS, Taramani, Chennai.

I specially acknowledge the help of **Dr. Y. Rama Mohan**, Professor, **Dr. S. Gayathri**, Senior Technical Assistant and **Mrs. Hema Umakanth**, Technical Assistant, Department of Neuropathology, NIMHANS, Bangalore in the preparation of electron micrographs.

My special thanks are due to **Dr. C. D. Lethi**, Lecturer, Department of Zoology, Holy Cross College, Tiruchirappalli, for her sagacious support and encouragement.

I thankfully acknowledge **Dr. P. Venuvanalingam**, Professor, Department of Chemistry, Bharathidasan University, Tiruchirappalli, for his support and encouragement.

I am thankful to **Dr. M. M. Manimaran** and **Mr. A. Thiruvengadam**, Department of Endocrinology, ALM. PGIBMS, Taramani, Chennai for their kindness and timely help.

It is with great pleasure, I sincerely thank my Fellow Scholars, **Mr. J. Kaliamurthy, Mr. P. Saravana Bhavan and Mr. Z. Zayapragassarazan**, for having helped me in collection of experimental specimen and for their varied help and cooperation. I also thank **Mrs. P. Elizabeth**, Lecturer, Kunthavai Nachiar Govt. Arts college for women, Thanjavur for her help and support.

Words are not adequate enough to express my gratitude to my friends **Dr. V. C. Saralabai, Dr. V. Kabila, Ms. X. Nirmala, Ms. S. Salai Cheettu Ammal** and
Ms. V. Vanishree for their loving help and companionship. They had always been there helping me in all possible ways and to share my burden many a times.

I sincerely thank Mr. G. Palanisamy and Mr. S. Ravi for helping in maintaining the experimental prawns.

I am thankful to Mr. S. Ve. Gupta, GB Associates, Thillai Nagar, Tiruchirappalli for the excellent compilation of this manuscript.

I acknowledge the financial assistance provided to me by Ministry of Environment and Forests, New Delhi and Council of Scientific and Industrial Research, New Delhi.

Above all I am extremely thankful to my Parents for their advice, support and encouragement at every stage of my work.

- A. Yamuna
