ACKNOWLEDGEMENT

I am deeply indebted to Dr. R. Kanakasabai, M.Sc., M.Phil., Ph.D., Professor & Head, Post Graduate and Research Division of Wildlife Biology and Zoology, A.V.C. College (Autonomous) Mannampandal for suggesting the problem, scientific freedom, magnanimous understanding, guidance and constant encouragement throughout the study.

My sincere thanks are due to Prof. A. Rajamohan, M.Sc., M.Phil., Principal, A.V.C. College, for his support and infrastructure facilities provided throughout the study period.

I am thankful to Prof. R. Balasubramaniam M.A., M.Phil., former Principal and Head of the Department of Zoology, A.V.C. College, for his keen interest in research and for deputing me under FIP programme to pursue research.

I whole-heartedly express my deep sense of gratitude to Dr. K. Thiyagesan, M.Sc., M.Phil., Ph.D., my mentor who has been deeply involved in my research work starting from designing the work, scholarly advice, statistical analysis of data, interpretation of results and critically going through the thesis. In fact, this kind of work would not have been perceived without his unstinted co-operation and tremendous help.

I am thankful to Dr. R. Natarajan, M.Sc., Ph.D., former Director, CAS in Marine Biology, Parangipettai and CSIR Emeritus Scientist, Madras for critically going through the thesis and valuable suggestions.
I express my special thanks to Prof. M. Varadharajan, M.Sc., M.Phil., my teacher cum colleague, for his help in the preparation of diagrams and graphs.

I am grateful to all my colleagues in the Department for their moral support.

I gratefully acknowledge the following experts in the field of Ornithology for having sent the reprints and passed valuable suggestions, Dr. C.H. Fry, a well-known Ornithologist, U.K.; Dr. C.M. Lessells, Netherlands Institute of Ecology, The Netherlands; Dr. J.R. Krebs, Department of Zoology, South Parks Road, Oxford; Dr. M.G. Brooker, CSIRO Division of Wildlife and Ecology, Midland, W.A.; Dr. R.K. Brooke, University of Cape Town, South Africa and Dr. C.S. Jones, The Edward Grey Institute of Field Ornithology, Oxford.

I am much grateful to Prof. K.G. Mathew Tharagan, M.A., M.Phil., Dept. of English, A.V.C. College, for going through the thesis for betterment of English.

I profusely thank Mr. R. Nagarajan, Research Associate, ICAR Barn Owl Project, A.V.C. College for his help in computerizing the data and in the preparation of the thesis and Mr. P. Neelanarayanan, Senior Research Fellow of the above Project for proof reading of the thesis and his assistance in diagrams.

I am grateful to Dr. K. Gunasekaran, Scientific officer, VCRC, Pondicherry and Mr. R. Santhanakrishnan, Research Scholar, A.V.C. College for their assistance.

I am deeply indebted to the Management of A.V.C.College and the University Grants Commission, New Delhi for deputing me under FIP Programme to pursue research.

I place on record the valuable service rendered by M/s. Brilliant Computer Centre, 113, S.P.Koil Street, Chidambaram for neat execution of the thesis.

Last but not the least to my wife Mrs. A. Sasikala and other family members for their patience and encouragement throughout the period of my research.
