ACKNOWLEDGEMENT

The researcher acknowledges his sincere thanks and deep sense of gratitude to his illustrious and learned supervisor Dr. C. Chendur Pandian, Selection Grade Lecturer, Government College of Education, Pudukkottai for guiding him excellently with his cardinal care which helped the researcher to complete this work successfully.

The researcher expresses his sincere thanks to Dr. S. Purushothaman, Professor and Head, School of Educational Technology, Bharathidasan University for his constructive suggestions which helped the researcher to proceed the work in the right direction.

This researcher is indebted to Mr. G. Narayanan, Principal, District Institute of Education and Training, Manjoor who was an inexhaustible foundation of inspiration behind this work and for many useful suggestions and concrete and critical comments on the execution of this study. The researcher cannot adequately thank him for all the valuable help given from the beginning to the end of this work.

The researcher extends sincere thanks to Dr. Gabriel Jayachandran, Reader, Department of Education, Madurai-Kamaraj University, Madurai who helped him a lot in the development of the software.

The researcher's grateful thanks are always due to Prof. T. Rathinasamy, Selection Grade Lecturer, Government College of Education, Orathanadu but for whose help this work would have remained a dream.

The researcher is profusely thankful to Dr. K. Kanagarajan, Selection Grade Lecturer, Government College of Education, Orathanadu,
Prof. C. Jambunathan, Selection Grade Lecturer, Government College of Education, Pudukkottai and Dr. K. Krishnan, Reader, Department of Education, Madurai-Kamaraj University for their valuable suggestions, scholarly discussions and encouragement for the progress of the study.

The researcher is much indebted to Prof. U. Mohammed Iqbal, Head, Department of English, Kader Mohideen College, Adirampattinam who reviewed the content part of the software and offered suggestions for its final shape.

The researcher would like to make a particular mention of Dr. R.C. Gardner, Department of Psychology, The University of Western Ontario, Canada who gladly clarified many doubts concerning this work and who sent the researcher many valuable materials which were of immense use to the researcher.

Acknowledgment is also due to Dr. V. Jayathilakan, Prof. A. Antonysamy, Government College of Education, Orathanadu, Prof. A.R. Mohamed Ismail, Head, Department of Computer Science, Jamal Mohamed College, Tiruchirapalli, and Mr. Baskaran, Programmer, Tamil University, Thanjavur.

The sincere thanks of the researcher go to the fellow research scholars, Mr. R. Seenichamy, Lecturer, District Institute of Education and Training, Mayanoor, Mr. M. Baskaran, Post Graduate Teacher, Ratna Higher Secondary School, Pettavaithalai and Mr. R. Chandrasekaran, Post Graduate Teacher, Boys' Higher Secondary School, Srirangam, for their generous help and constant encouragement while the work was on the progress.
The researcher extends his thanks to all the professors of different foreign universities, who responded to the request of the researcher by sending him copies of their valuable writings that appeared in renowned journals. The researcher conveys his thanks to the headmasters and the teachers of English of the Government Higher Secondary Schools, Orathanadu and Karambayam for their cordiality and kind co-operation in carrying out this experiment successfully.

The researcher sincerely thanks the library personnel of Central Institute of English and Foreign Languages, Hyderabad, British Council Library, Madras, Madurai-Kamaraj University, Madurai, Annamalai University, Annamalai Nagar, Gandhigramam Rural University, Gandhigramam, Bharathidasan University, Tiruchirapalli and Government College of Education, Orathanadu.

The researcher thanks Mr. M. Ibramsha and Mr. S. Abdul Latheef for their unfathomable help and sustained interest to the accomplishment of this work.

The researcher's special thanks are due to Ms. P. Saharban who patiently went through the manuscripts of him and provided the corrections.

The researcher also expresses his thanks to his wife who shouldered the responsibility of looking after the family and whose moral support helped the researcher to concentrate on his work without any family problem.

And above all, the researcher's grateful acknowledgment is made to the Almighty who blessed him with mental peace and sound health to complete this work successfully.
