ACKNOWLEDGEMENT

I am fortunate to have Prof.S.HARIHARAN, Direct Professor, School of Management, Central University, Pondicherry, as my Research supervisor and guide. I wish to express my gratitude to the richness as also the quality of his guidance and supervision throughout the period of my study. I admit with utmost sincerity that this research would not have been possible but for his continuous support and monitoring. Despite the occasional failing as is common. With many of the research students, particularly in my case laden with heavy academic responsibilities the guide best word me with high degree of geniality and that his encouragement with appropriate strictness throughout, ultimately has culminated in accomplishment of this research to its logical end.

My profound gratitude goes to the U.G.C. and the Secretary and the Principal of TBML College Porayar for having permitted me to do this research work under FIP Programme of Bharathidasan University, Tiruchirapalli.

I thank the Bharathidasan University authorities and Secretary, National College, Trichy for having permitted me to do this research work.
