ACKNOWLEDGMENTS

I record with gratitude my most sincere thanks to Dr K. Chellappan, Head, Department of English, Bharathidasan University, my revered guide and research advisor for his inspiring guidance, valuable suggestions and comments, constructive discussions and untiring enthusiasm in encouraging me during the entire period of research and thesis preparation.

I thank the Director and Commissioner of Collegiate Education for permitting me to pursue the research programme. I am grateful to the Director (1980) for selecting me for the one year FIP under VII Plan. I thank the authorities of the Bharathidasan University, Tiruchirapalli for selecting me for the FIP under VIII Plan.

My heartfelt thanks are due to UGC for awarding the Teacher Fellowship during the VII and VIII Plan periods.

I am thankful to Dr Mrs. A. Thilagavathy, Principal (1980), K. N. Government Arts College, Thanjavur and other principals of the College for their kindness and support in allowing me and encouraging me to do research work.

I thank most sincerely Dr A. Joseph, Director, Academic Staff College, Tiruchirapalli and member of the Research
Advisory Committee for all his advice on formulating classroom experiments, and constant encouragement for my research.

My special words of thanks are due to Prof. D. Swamiraj, Principal, Bishop Heber College, Tiruchirapalli without whose timely help I could not have registered for the Ph.D. programme.

I thank Dr T. Sri Raman, Professor, CIEFL, Hyderabad for helping me in collecting material for the research work. I thank Professor R. R. K. Hartmann, Exeter and Batia Laufer, University of Haifa, Israel for supplying me copies of their published papers. I acknowledge with gratefulness the help of Dr Hilari Neis, University of Warwick for sending me his published papers and the kindness of Oxford University Press in sending me the back issues of Applied Linguistics. I thank the publishers of Oxford Advanced Learner's Dictionary and Collins Cobuild Dictionary for donating the related publications of these dictionaries.

I take this opportunity to thank Mrs R. Kokilam, the Head, and all my colleagues in the Department of English, K. N. Government Arts College for Women, Thanjavur for their constant support and encouragement.
I record my appreciation of the very efficient and painstaking typing and formatting of Mr S. Venugopal of the entire thesis.

I express my great appreciation for the wonderful support and encouragement given by my husband Dr Edison and children Leo and Malar. I am thankful to them for the immeasurable tolerance they have shown during the difficult days of the research.

Finally I thank and praise God, my father and my Lord who gave me all these wonderful people and who has blessed me with strength and knowledge to complete this work successfully.
