Acknowledgement
It is my privilege to express my deep sense of gratitude and indebtedness to my guide Dr. M.H. Muhammad Ilyas, M.Sc., Ph.D., Reader, Post Graduate and Research Department of Botany, Jamal Mohamed College (Autonomous), Tiruchirappalli-620020, for his guidance and support besides a cheerful encouragement, unfailing help, energising criticism and valuable guidance with a sense of dedication.

I am extremely grateful to my Co-guide and Doctoral committee member Dr. A. Burkanudeen, M.Sc., M.Phil., M.Ed., Ph.D., Senior Lecturer, Post Graduate and Research Department of Chemistry, Jamal Mohamed College (Autonomous), Tiruchirappalli-620020 for his valuable guidance, encouragement, suggestions with constructive criticism and constant help given during the course of my research work.

I express my sincere thanks to Doctoral committee member Dr. S. Kalavathy, M.Sc., Ph.D., Reader, Post Graduate and Research Department of Botany, Bishop Heber College (Autonomous), Tiruchirappalli-620017 for her valuable suggestions during the tenure of my research work.

I express my sincere gratitude and thanks to Management and Principal of Jamal Mohamed College (Autonomous), Tiruchirappalli-620020, for providing necessary facilities to carry out this Ph.D., programme.

At the outset, I take pride in thanking the Management and Director of Pavender Bharathidasan College of Arts and Science, Pudukkottai-622515, who had directly and indirectly a source of inspiration and encouragement throughout the period of my study.

I am grateful to the Management and Principal of Periyar College of Pharmaceutical Sciences for Girls, Tiruchirappalli-620021, for providing the necessary facilities and also permitting me to carry out pharmacological work.

Mere words are not sufficient to acknowledge the valuable support and immense help extended by Dr. A. Jaswanth, M. Pharm., Ph.D., Principal, Srikrupa Institute of
Pharmaceutical Sciences, Hyderabad-502277, Andhrapradesh, throughout the period of my study.

I am indebted to Dr. S. Kurmaravel, M.Sc., Ph.D., Scientist, Food Analysis Laboratory, Paddy Processing Research Centre, Thanjavur-613005 for his timely help in carrying out the mass spectral studies.

My regards to Dr. P. Jayaraman Ph.D, Director, Plant Anatomy Research Centre, Pharmacognosy Institute, Chennai-600028 for his kind help in carrying out the phytochemical and pharmacognostical work and the valuable reports.

I wish to express my sincere thanks to Dr. N. Kannan, M.Sc., (Agri.), M.BA., Ph.D., Agricultural officer, Soil testing Laboratory, Tiruchirappalli-620023, for his kind help in carrying out the soil test and analytical report of the leaf sample, and Dr. M. Syed Ali Padusha, Lecturer in Chemistry, Jamal Mohamed College for the spectral interpretations.

I express my deep sense of gratitude to Dr. A. Subashini, M.Pharm., PhD., Asst. Professor, Department of CARISM, SASTRA University, Thanjavur-613403 for her kind help in carrying out chromatography.

I thank Mr. D. Tamilvendan, M.Sc., M.Phil., Research Scholar NIT, Tiruchirappalli-620020, for recording the spectral studies of leaf extract

It is my privilege and honour to extend my profound gratitude and indebtedness to Dr. G. Govidaraju, M.Sc., Ph.D., Director, Academic Affairs PRIST University, Thanjavur-613403, for conceding me to carry out this work and all the cooperation extended to complete the work.

Earnestly, I am extremely thankful to A. Vijay Anand, M.Sc., M.Phil., Head, Department of Biochemistry, M.I.E.T Arts and Science College, Tiruchirappalli-620007, for his keen interest and efforts towards successful completion of the work.
I express my sincere thanks to Dr. N. Thajuddin, M.Sc., M.Phil., Ph.D., Reader and Head, Department of Microbiology, Bharathidasan University, Tiruchirappalli-620 024 for helping me to prepare my thesis.

I render my special thanks to Dr. S.A. Syed Ahamed Firoz, M.A., M.Phil., Ph.D., Lecturer, Department of Tamil, Jamal Mohamed College (Autonomous), Tiruchirappalli-620020 who was kind enough to spend time in translating the abstract in Tamil language.

I wish to express my heart felt thanks to all the Faculty Members of Botany and Chemistry Department, Jamal Mohamed College (Autonomous), Tirchirappalli-620020.

I personally thank, Ms. G. Sujatha, Ms. S. Sarulatha, Dr. T. Malarvili, Dr. A. Puratchikody, Dr. P. Sampath Kumar, Dr. N. Manoharan, Ms. S. Vini, Mr. M. Kannan and Mr. A. Kannan for their keen interest shown towards the successful completion of my thesis.

I sincerely thank all My Friends for their moral support and constant encouragement throughout the period of my study.

Finally, to my beloved Husband, Kids and all My Family members who staunchly supported me throughout.

Above all I thank, The Almighty for giving me enough strength, good health and knowledge for complementing the task with utmost satisfaction.

Mrs. T. NARGIS BEGUM
