LIST OF TABLES

1. Wound healing activity
2. Anti-inflammatory activity
3. Analgesic activity
4. Anti-pyretic activity
5. Anti-ulcer activity
6. Anti-cancer activity
7. Hepatoprotective activity
8. Anti-diabetic activity
9. Anti-venom activity
10. Soil analysis report
11. Phytochemical analysis of leaf sample
12. Flourescent analysis of the leaf sample of *A. tetracantha* with various extracts
13. Solubility values of the leaf sample of *A. tetracantha*
14. Preliminary qualitative phytochemical analysis of *A. tetracantha* leaves
15. Analytical report of *A. tetracantha* leaf
16. Ash, moisture and elemental analysis of *A. tetracantha* leaf
17. Effect of ethanolic leaf extract of *A. tetracantha* and nitrofurazone ointment on excision wound model
18. Effect of ethanolic leaf extract of *A. tetracantha* on dead space wound in rats
19. Effect of ethanolic leaf extract of *A. tetracantha* on the levels of antioxidants and MDA in granulation tissue in the dead space wound model
20. Effect of ethanolic leaf extract of *A. tetracantha* on nucleic acids, total protein and hydroxy proline in the dead space wound model
21. Anti-inflammatory activity of ethanolic leaf extract of *A. tetracantha* against carrageenin induced paw edema in albino rats
22. Analgesic effect of ethanolic leaf extract of *A. tetracantha* by hot plate method
23. Effect of ethanolic leaf extract of *A. tetracantha* on Brewer's yeast induced pyrexia in Wistar albino rats
24. Inhibitory effect of ethanolic leaf extract of *A. tetracantha* on ethanol induced gastric lesions in rats
25. Inhibitory effect of ethanolic leaf extract of *A. tetracantha* on swim stress induced gastric lesions in rats
26. Effect of ethanolic leaf extract of *A. tetracantha* on CCl₄ induced hepatotoxicity in Wistar albino rats
27. Effect of ethanolic leaf extract of *A. tetracantha* on antioxidant enzymes
28. Hypoglycemic activity of ethanolic leaf extract of *A. tetracantha* in alloxan-induced diabetic rats
29. Effect of ethanolic leaf extract of *A. tetracantha* on lipid profile in alloxan-induced diabetic rats
30. Effect of ethanolic leaf extract of *A. tetracantha* on tumour growth
31. Antitumour activity of ethanolic leaf extract of *A. tetracantha* on median survival time of mice
32. Mean survival time (hrs) and protection fold against the LD₉₉ of leaf extract administered (i.p.) in adult albino mice
33. Components identified in GC-MS analysis of ethanolic leaf extract of *A. tetracantha*
