Acknowledgement

In the name of Allah, the Most Gracious and the Most Merciful Alhamdulillah, all praises to Allah for the strengths and His blessing in completing this thesis.

First, I would like to express my respectful indebtedness and profound gratitude to my esteemed supervisor Professor Kaleem Raza Kazmi, Department of Mathematics, Aligarh Muslim University, Aligarh, who has been a continuous source of inspiration and encouragement to me throughout my research work. I again express my deep sense of gratitude to my supervisor without whose academic alertness, sense of perfection and invaluable guidance, this work would have never been accomplished. It is really impossible for me to express in few sentences, my respect and recognition for his motivating and compassionate attitude.

I would also like to acknowledge my gratitude to Professor Subuhi Khan, Department of Mathematics, Aligarh Muslim University, Aligarh for her valuable help, continuous encouragement and moral support during the hard days of this work. I owe my profound gratitude for her.

I am also thankful to Prof. Mursaleen, Chairman, Department of Mathematics, Aligarh Muslim University, Aligarh for providing me all the necessary departmental facilities for the accomplishment of this work. I am grateful to all my teachers in the department for constructive inspiration.

I sincerely acknowledge to all my seniors, especially to Dr. Shuja Haider Rizvi, Dr. Mohd Farid, Mr. Mohd. Furkan and Dr. Phool Miyan for their continuous encouragement and productive discussions during my research.
I would like to express my thanks to all my colleagues and friends, especially to Dr. Mohd Arif Raza, Dr. Faisal Khan, Mr. Mijanur Rahaman, Mr. Ghulam Mohd, Mr. Mohd. Shoeb Yosuf, Ms. Mumtaz Riyast, Ms. Tarannum Siddiqui, Ms. Mahavish Ali, Ms. Aisha Rehan, Mr. Saleem Yousuf, Mr. Mohd Asim Khan and Ms. Nazia Praveen.

At this moment, I specially remember my beloved parents, Mr. Subhan Ali and Mrs. Aamana Begum and elder brother Mohd. Ali for their love, support, prayers, caring and selfless sacrifices for educating and preparing me for future. I express my profound love to my brothers Mr. Gaffar Ali, Mr. Sattar Ali, Mr. Furkan Ali and Mr. Sayed Shadiyan Ali and my brother-in-law Mr. Syed Aabid Ali and to my beloved sisters Mrs. Shahana Bee, and Ms. Ishrana Bee for their most cordial and helpful role in my academic endeavor. Their countless blessings, deep love and affection always worked as a hidden power behind every thing I did. I feel shortage of words to pay thanks to them. I would like to express my thanks to my elder brother Mr. Mohd. Ali for his patience and encouragement. I would also like to dedicate to my younger brother Late Mr. Farhan Ali.

Financial support in the from of University Research Fellowship, Basic Scientific Research Fellowship, University Grant Commission needs also to be acknowledged.

Last but not the least, I thank to the staff of Department of Mathematics, Aligarh Muslim University, Aligarh, especially seminar library and office staff for their co-operation during the course of work.

All the above cited acknowledgments belong to those who somehow played a pivotal role along with this work. I can not forget the dandy strives of my undescribed mates who supported me morally and mentally.

Rehan Ali
