ACKNOWLEDGEMENT

I gratefully acknowledge my deep sense of gratitude to my esteemed and worthy supervisor, Dr. Anil K. Vashisth, Professor and Chairman, Department of Mathematics, Kurukshetra University, Kurukshetra, for his invaluable help, untiring guidance, encouraging support, vigilant trust, inspiration and warm affection. From the core of my heart, I express my thankfulness for the dedication that my supervisor has shown during my research work. He has not only helped me formally but informally also showing elderly affection during the period of my research work.

I also express my sincere gratitude to Prof. M.D. Sharma for his encouragement, academic support, valuable suggestions and constructive comments. I also thankful to all teachers and non-teaching staff of Department of Mathematics, for their full time help and cooperation.

I express my sincere thanks to Dr.(Mrs.) Bharti Bandhu, Principal, Arya Kanya Mahavidyalaya, Shahabad(M) without whose cooperation it would have been a difficult task to continue and complete the work.

The blessings of my parents are thankfully acknowledged with reverence. I do not find words for indebted feeling towards my father Sh. Prem Chand Sukhija, mother Smt. Krishna Devi and other family members who kept me unworried during whole the period of my research. Special thanks are due to my husband Sh. Amit Bajaj and my daughter Rishita Bajaj for their personal sacrifices and continuous support. I highly appreciate the patience of my husband for bearing the hardships which came across during the course of this work.

I would also like to thank Dr. Vishakha Gupta, Ms. Kavita Rani, Mr. Ashok Kumar, Mr. Manjeet, Mr. Rajesh and Ms Shweta for their cooperation and timely encouragement in bringing my thesis work to complete.

Hema Sukhija
