ACKNOWLEDGEMENT

With profound sense of respect and gratitude I would like to acknowledge my thanks to all persons who helped me and provided emotional support in the completion of present research work. In the very outset, it is a matter of great privilege to express my heartiest feeling of immense gratitude and indebtedness to my esteemed supervisor Prof. Sushil Kumar, Department of Education, Kurukshetra University, Kurukshetra, under whose discreet guidance I completed my research work. I am grateful to him for his constant and scholarly guidance, sympathetic and encouraging attitude, and creative suggestion and inspiration. I am indebted to him for his time to time help and perpetual encouragement specially. I deem it my good luck and golden opportunity to work under his supervision.

My heartfelt regard goes to Chairman, Department of Education, Kurukshetra University, Kurukshetra for his cooperation, advice and valuable suggestions. With the same sense of gratification, my sincere thanks go to Prof. Bharti Baveja C.I.E, D.U; Prof Ashum Gupta & Dr Dinesh Chhabra Deptt of psychology, D.U; Dr Prabhjyot kulkarni D.U. & Dr. Sarita Bhardwaj Bhartiyan College, Faridabad for rendering their help in completing this work.

I wish to thank all the subjects (regular students and non teaching staff) and Principal Dr K.S Bhardwaj and Gaurav Sharma H.O.D (Chemistry) and his team of Aravali college of engineering, who shared their precious time willingly and cooperated with me in conducting the experiment for present research work.

It is a unique privilege to express my heartiest regards to my mother for her timely help and encouragement which boosted my morale in the study.

Finally, I would like to offer my love and thanks to my who provided me unknowingly support to accomplish this research work.
