ACKNOWLEDGEMENT

The study would have been difficult to conduct without the help and support of numbers of people. I express my sincere gratitude to them. I especially thank my guide Dr. Mrs. Nisha Mundada for having successfully led me to the completion of my work. I am deeply indebted her for her active concern, scholarly guidance and critical comments, without that my research work would not have been satisfactorily completed in time.

I cannot forget the timely encouragement that I received from Dr.S.V.Jadhav, Head of Department Psychology, D.N.College, Faizpur, Dr.Nilkanth Bankar, Mumbai University, Mumbai, Dr. S. D. Joshi, Head of Department Economics, M.J. College Jalgaon, and my Principal Dr. B. N. Patil of S.S.M.M. College, Pachora.

There are many good Professors, who helped me directly in collecting data, references etc, to name a few prominent among them were Principal, Sau.Vaijanti Talale. (A.T. Zambare High School, Jalgaon) Principal, Mr. Patil K. P. (Khedgaon High School, Khedgaon Tal - Chalisgaon) Principal, Mr. Rajendra Gaikwad (S.R.Chaudhari High School Kinod) Dr .S.R.Mahale ( Mahale”s Academy, Mahabal, Jalgaon) Dr. G.B.Chaudhari, Principal, Dr. S. S. Rane, Principal, Dr. B. T. Labhane, Dr. R. T. Potdar, Dr. Niraj Deo, Prof . A.B.Patil, Dr. Rekha Salunkhe, Prof. Balaji Raut, and Prof. R. R. Rajput.

The list could not be completed without mentioning the names of Dr. B. S. Pawar, and Dr. C. P. Labhane. I am really thankful to them.

I feel it my prime duty to thank the principals of educational institution who permitted me to collect data from their schools, of course, the students who studying 8th and 10th deserve special thanks. I am indeed very much thankful to them.
Without the blessings of my MOTHER and my sister; I doubt this work would have been completed. I prefer to be indebted to them.

I am gratefully thankful to the whole hearted support of my wife Mrs.Vaishali Baviskar, my friend Prashant and Arun, my students who encouraged me all the time in completing this research work.
