ACKNOWLEDGEMENTS

I am extremely happy to express my sincere thanks and appreciation to Dr. A. B. Sawant, Associate Professor in Chemistry, M.S.G. College, Malegaon Camp (Nashik) for inducing me into the realm of innovative and interesting field of chemistry. I also express my deep sense of gratitude to him for his valuable and masterly guidance and constructive criticism throughout the course of this investigation. The present volume of work would not have been completed without his untiring efforts. His kind cooperation and kind heartedness have always kept me happy and I really enjoyed my research work.

My thanks are due to an incumbent of Pimpalner Education Society, Pimpalner (Sakri), Hon. Bapusaheb Deshamukh, Hon. Dr. I.M. Bhadade, Hon. Supadu Nana Ekhande, Hon. R.P. Bhamare, and Hon. P. B. Kothawade for granting me the permission to undertake this research work.

It gives me great pleasure to take this opportunity to express my thank to designated incumbent of Pimpalner Education Society’s, Pimpalner (Sakri), Hon. Balasaheb Shinde, Hon. Surendra Dada Marathe, Hon. A.S. Biraris Hon. Subhashsheth Jain, Dr. Vivekanand Shinde, Hon. Dhanrajsheeth Jain, Hon. H.R. Gangurde Hon. P.A. Kulkarni and Hon. Shri N.P. Bhadane and also dignified members for their ever ending support.

I also sincerely thank Dr. Apoorvaji Hiray (Co-ordinator) M.G. Vidhyamandir, Malegaon Camp for allowing me for doing the research work at chemistry research center of M.S.G. College, Malegaon Camp.

I am grateful to University Grant Commission, WRO, Pune for awarding me the teacher fellowship and financial assistance to this work under FIP scheme during 11th plan period.

I thankfully acknowledge my gratitude to Principal Dr. D. F. Shirude, M.S.G. College, Malegaon Camp (Nashik) and Principal Dr. B.S. Jagdale, LVH College, Panchwati, Nashik for their constant encouragement and providing me laboratory facilities.

My special thanks is to Principal of my college, Dr. H. D. Patil for encouraging me and giving necessary support for completion of my research work.

It is my privilege to thank my former Principal, G.R. Bhavsar who initiated me to do the research work.

I wish to convey my sincere gratitude to Dr. Chincholkar, BCUD Director, NMU Jalgaon for allowing me permission to carry out my research work under FIP Scheme.

I express my sincere thank to Dr. Dilip Dhawale, Head, Department of Chemistry, University of Pune for his valuable help and cooperation.

I am highly indebted to my lovely teachers Dr. P. S. Nikam (former Head), Asso. Prof. D.C. Nikam (Head), Asso. Prof. A. T. Thakare, Dr. Mehdi Hasan, Dr. A. R. Hiray, Dr. R. R. Pawar, Asso. Prof. A. B. Khairnar, Acting Principal Dr. T. B. Pawar, Asso. Prof. S. R. Deore and Dr. H. S. Aher their expert suggestions.

I especially thank to Dr. R. P. Shewale, Dr. U. B. Kadam, Dr. R. Y. Borse, Dr. R. N. Shelar, Dr. R. S. Patil and Dr. T. J. Patil and former Principal Dr. P. V. Astekar who helped me in initial stages of this work and enlightened me with the research work tips.

I sincerely record my gratitude to my laboratory mates R. S. Nirwan, S. G. Wagh, R. P. Hiray, V. J. Naukudkar, V. S. Salve, Keshv Kurhe, Pankaj Pawar, N.A. Dhoke, Satish Ahire, Miss B. B. Waghmare and Raju Pawar for creating professional as well as friendly atmosphere in the laboratory. It was great working with all of them who were so good at me.

My special thanks are due to the department colleagues at Pimpalner College,
Asst.Prof. P. P. Talware, M. V Bhamare and S.M. Amritkar for their cheerful cooperation.

It is my duty to express my heart willing thank to all my neighbours A. H. Shinde, G. R. Nandre, S. B. Mahajan, A. M. Gharte, P. S. Raut madam and Vilas Kuwar for their friendly cooperation.

I would like to thank all office staff and also non teaching staff of Department of Chemistry, M.S.G. College Malegaon Camp (Nashik) particularly P. B. Patil, Bapu Nikam, S. N. Borade, S. N. Shewale and S.P. Gaikwad for their technical help in carrying out this work.

I would also like to acknowledge the help of library staff members of M.S.G. College Malegaon camp, University of Pune and National Chemical Laboratory, Pune for reference work.

Words fall shorts to express the feeling toward my parents Sau Sarjabai Shirsath and Shri. Bhaurao Namdeo Shirsath who have contributed and sacrificed a lot for me to accomplish this stage a will always remain sole source of inspiration in my life to achieve higher goal. My success is dedicated to them now and always.

My special thanks are due to my mother in-law and father in-law Sau Shindubai and Shri. Balkesh Nathu Sawant for their constant encouragement and inspiration whatever I am and whatever I will be in future because of enormous love blessing, commitment to my ambition and selfless sacrifices. I am deeply indebted to Nirmala Tai Sawant for her friendly and homely treatment and kind cooperation throughout the course of study.

I express my whole hearted thank to brother in-law Dr. Rajesh Sawant and Nilima Tai for their love concern affection and constant support me.

I indebted my maternal auntie Kamalabai and uncle Shri Daulat Khairnar and also Krishna Baba Shewale and family for their love affection and constant encouragement and support, without their help and uninterrupted nurturing, I would not have been what I am today. Particularly I express my thanks that helped me to develop my carrier. They have been constant source of strength and determination and have a brought a great deal of happiness to my life.

I take this opportunity to express my profound respect to my mentor Mr. Malunde B. B. and his family members throughout my carrier who are key inspiration and help to build up my academic carrier.

I am very much indebted to gratitude to Shirapure Dada and Shankar Baba Malunde. It is their love blessing and prayers that helped me throughout my life.

I wish to place on record my thanks to Dr. Tambe, Sharad Gaikwad, Rakibe madam, Deore Madam, Shyam Bhavsar, Shyamrasad Shewale and Shyam Kothawade for helping me in recording IR and UV spectra.

I thankfully acknowledgement the relatives particularly Thorat Anna, H.B. Suryawanshi, Suryawanshi Nana, Balasaheb Ahiire, Popat Ahiire, Shewale Nana, Y.N.
Deore, Dadabhau Pawar, Bharat Shewale, Prakash Chavan, Nitin Bhamare, S.J. Khairnar for their willing to complete work.

I express my whole hearted thank to uncle R.N.Shirsath and cousin brothers Nandraj, Sanjay Shirsath, Ravi, Sanjay and Dinesh Khairnar for encouragement and support.

I shower my love and affection on my nephew Rahul, vaibhav, Parag, Abhishek and Aditya and niece Yogita, Madhuri, Sadhana, Dr. Rujuta, Dr. Amruta, Suvarna, Harshda, Shubhangi and Pooja for their patience during the period of my research work.

I take great pleasure in thanking my family members sister Lalita, brother-in-law P.N. Deore, brothers Dilip, Devidas, Dadasaheb and sister-in-law Chhya, Sharda and Jyoti who help me in this task without their patience and understanding I could not have ventured on my journey.

I wish to express my gratitude to my wife Sau. Shital for her love and sacrifice for being with me in my difficult times and for being patience with me when I did not give her enough attention and lastly give me immense pleasure to shower my love and affection on my son Kalpesh and daughter Harshli who always had complaint against me for not spending enough time with them.

During the course of this research work innumerable friends helped me in various aspect of my work. Lack of space restricts me in not mentioning each and every one of them individually but that does not make their contribution any less. I am immensely grateful to all of them who have helped me.

I thank God for his blessing for forgiving my mistake for leading me in right path and for being there whenever I needed.

Shirsath Walmik Bhaurao
