ACKNOWLEDGEMENT

This effort in my academic pursuit would not have been a reality but for the constructive and purposeful support, guidance and encouragement rendered by a number of persons whose help I specially recognize through this acknowledgement.

At first I am grateful to almighty God whose grace, unconditional love and blessings accompanied me throughout the study.

My special thanks to Dr. D. Y. Patil Vidyapeeth executive team of management for constant guidance and support.

I also want to extend my special thanks and appreciation to Dr. (Mrs.) Khurshid Jamadar, Principal of Dr. D.Y.Patil, College of Nursing, Pimpri, Pune, who through her unending support and valuable suggestions which enriched my study.

With firm belief that a guide in the study is one who holds a candle in the maze of darkness, I express my sincere gratitude wholeheartedly to Dr. (Mrs.) Anuradha N Mhaske, Principal of MGM, College of Nursing, Aurangabad, who through her constant encouragement, valuable guidance, sustained patience and necessary administrative permission accomplish this study.

I feel greatly delighted in expressing my immense gratitude to my Co-guide Dr. S.Agarkhedkar, HOD of Pediatrics, Dr.D.Y.Patil Hospital and Research Centre, Pimpri, Pune-18 for his constant guidance, support, suggestions and encouragement throughout the study.

I express my sincere gratitude to all faculty members of the college of nursing for their support, encouragement and valuable suggestion, throughout the period of study.

My sincere thanks to the District Health Officer, Medical Office, Sarpanchs and Nagarsevak of respective areas for permitting me to conduct the study.

I specially thanks the participants of the study without their co-operation it would have been impossible to conduct the study.

I wish to convey a word of thanks to the experts who contributed their valuable time and efforts towards validating the tools.
Assess and develop information booklet on immunization practices among parents and health personnel from selected urban versus rural areas.

I extend my deepest gratitude to Mr. Dipak S. Dalavi, (M.A. Marathi, B.Ed) teacher in Bhadurwadi Vidhyalaya Marathi school, Bhadurwadi who has translated and validated the tool in Marathi.

Sincere acknowledgement is extended to Mrs. Vaishali Chirmade, Department of statistic, Semantic for her valuable guidance in statistical analysis.

My sincere thanks to Mrs. Anjali Naik for editing the entire thesis.

My special thanks to my batchmates and friends for their co-operation and support despite their busy schedule.

Last but not least, let me express my appreciation to my family especially to my father Mukund Kulkarni and my husband Satish for their constant encouragement, patience and support during the study period without which this dream of mine could never have been realized.

- Mrs. Shweta Satish Joshi
