Before me, even as behind, God is, and all is well.’ Certain thoughts are prayers. God’s will is not an itinerary, but an attitude. I thank god for his blessings upon me for completing my thesis successfully and fruitfully.

‘Thankful heart is not only the greatest virtue but the parent of the other virtue.’ Nothing is more honorable than a thankful heart. Thankfulness is the beginning of gratitude. Gratitude is the completion of thankfulness and it is the memory of heart. Feeling gratitude and not expressing it is like wrapping a present and not giving it. Many educators like me could earn this degree with the coordinated help of many scholars to whom I shall be grateful and thankful and my sincere prayers for them too.

‘Director of all efforts with proper counseling makes one to be successful.’ My sincere thanks to my research guide Dr. A. Vijaya Anand, Head, Department of Biochemistry, M.I.E.T. Arts and Science College, Trichy, who is tireless in directing my efforts to set the objective in a novel way. His involvement with my originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come.

‘Words are not sufficient’ to express my deep sense of gratitude and heartfelt thanks to Honorable Chancellor, Prof. P. Murugesan, Ponnaiyah Ramajayam Institute of Science and Technology - PRIST University, Thanjavur and Chairman, Ponnaiyah Ramajayam Group of Institutions for having permitted me to pursue my research work and for having given me the opportunity and necessary facilities for my research programme in the University of excellence.

‘A man without gratitude is like a man without vision.’ My heartiest thanks to Honorable Prof. C. Nagarajan, Prochancellor (Academic), PRIST University, for his kind support for completing this research in a successful manner. I would to express my thanks to Honorable Prof. Dr. P. S. M. Kannan, Prochancellor (Administration) and Registrar, PRIST University, for his encouragement during the study period. I sincerely express my heart full thanks Honorable Vice Chancellor and Chairman Dr. N. Ethirajalu, PRIST University, for his supportive encouragement.

‘Life is partly what we make it and partly what is made by others.’ Collectively and individually I expressed my great pleasure and privilege to acknowledge my deep sense of gratitude Dr. V. Manivannan, Director, PRIST University, Dr. M. Ramalingam, Senior Scientist and Additional Director, PRIST University, Dr. G. Kuppuswamy, Former Director, Centre
for Research and Development, PRIST University, Dr. P. SOHNA CHANDRA PACKI AVATHY, Controller of Examinations, PRIST University, Dr. G. SWAMIDASS DANIEL, Former Controller of Examinations, PRIST University and Mr. H. SHIVAJI, Manager, PRIST University, East Campus, for providing me the facility to do the experiments and their useful guidance with their frequent interactions at every stage of my work.

‘No one achieves success does so without acknowledging the help of others.’ I owe a deep sense of attitude to Dr. ANUSHA BHASKAR, Associate Professor, CRD, PRIST University, and Dr. T. UISNA DEVI, Assistant Professor, CRD, PRIST University, for their useful guidance at every stage of my work.

‘When eating a fruit just think of the person who planted the tree’. At the outset, I take pride in thanking the MANAGEMENT OF VINAYAKA MISSION’S MEDICAL COLLEGE AND HOSPITAL, Karaikal, who had directly and indirectly a source of inspiration and encouragement throughout the period of my study.

‘A leader is the one who knows, goes, and shows the way’. I express my hearty thanks to Doctoral committee member Dr. P. PRABAKRAN, Assistant Professor, Department of Biotechnology, Srimad Andavan Arts and Science College, Trichy, who led me in to light of this research properly. I place on record my heartfelt gratefulness to him.

‘The best teachers teach from the heart, not from the book.’ I gratefully acknowledge Dr. J. JAI PRABHU, Assistant Professor and Head of Central Laboratory, Department of Biochemistry, Vinayaka Mission’s Medical College and Hospital, Karikal, who have instilled and initiated this project to go successfully.

‘One volunteer is better than the ten forced men.’ My sincere thanks to Mr. R. MANIKANDAN, for his advice and his willingness to share his bright thoughts with me, which were very fruitful for shaping up my ideas and research.

‘Gratitude is the memory of the heart.’ My sincere thanks to Mr. A. SAKTHIVEL, Lab Technician-Department of Biochemistry, Vinayaka Mission’s Medical College and Hospital, Karaikal, for his valuable efforts taken by him to complete sample analysis.
‘Nothing great is even achieved without encouragement.’ I express my hearty thanks to Mr. C. JEISEELAN, who encouraged and supported me in all ways. I also have pleasure in recording my heartfelt gratitude for him as he supported during the course of my project work and also in my studies.

‘Parents are the blessings of God’ who have sacrificed their lives in all aspects to their maximum – my sincere thanks to my father Mr. V. KOTHANDAPANI and my mother Mrs. K. VASANTHI for their affection, encouragement, motivation, patience, careful assistance and prayers.

‘Intense love does not measure, it just gives.’ I would like to show my gratefulness to my Wife Mrs. S. JAYABHARATHI and my daughters S. NIRANJANA and S. SHERIN, for their splendid cooperation in the processing of my work. Without them this project would have been a distant reality.

‘The love of a family is life’s greatest blessing.’ I express my appreciation to my brother Mr. K. CHARLES, Mr. K. ELANCHEZHIIYAN my sister Mrs. S. AMARA SARAVANAN, brother in law Mr. B. SARAVANAN and Mr. J. JAI BABU whose dedication, love and persistent confidence in me, has taken the load off my shoulders.

‘Knowledge is in the end based on acknowledgment.’ I gratefully acknowledge the valuable support and immense help extended by Mrs. V. ANITA AND FAMILY throughout the period of my study.

‘True friends are the greatest of all blessings’. Earnestly, I am extremely thankful to my friend Mr. T. VETRIVEL, who’s devoted his time and energy to complete this project successfully are remembered with gratitude.

With the gratitude-laden heart and soul once again, I would like to thank everybody who were responsible for the successful realization of this thesis. I express my apology as well if I had failed to mention any one personally.

K. SURESH KANNA
