ACKNOWLEDGEMENT

I would like to express my gratitude to everyone involved in the realization of this work for their scientific, technical, moral, and financial contribution. It is moment of gratification and pride to look back with a sense of contentment at the long traveled path, to be able to recapture some of the fine moments, to be able to thank infinite number of people, some who were with me from the beginning some who joined me at some stage during the journey, whose kindness, love and blessing has brought this day, I wish to thank each one of them from bottom of my heart.

“The successful completion of any task would be incomplete without mentioning the people who made it possible and whose constant guidance and encouragement secured us success”. I consider a privilege to express a few words of gratitude and respect to all those who guided and inspired me in the completion of this project work.”

I am immensely thankful to Prof. Dr. A. V. Chandewar, Principal, P.Wadhwani College Of Pharmacy, Yavatmal. For his permission to carry out my dissertation work in the college and for providing necessary requirement on time.

Words seem insufficient to express my deep sense of gratitude to respected Prof. Dr. D. M. Kshirsagar, U. Johri and Dr. P. Kawtikwar sir, S.N. Institute of pharmacy, Pusad for their excellent guidance, critical supervision , keen interest and continuous encouragement throughout the study.

I consider myself most lucky to work under the guidance of Prof. Dr. A. V. Chandewar. His discipline, principles, simplicity, caring attitude and provision of fearless work environment will be cherished in all walks of my life. I am very much greatful to him for his invaluable guidance and everlasting encouragement throughout my dissertation work. His active guidance helped me to develop skills and insight in research and scientific presentation. I would also like to thank him for the many discussions, advices and encouragement that he gave during the tough times of the
project. His feedback on the both the project and the writing of this thesis were especially important in shaping its outcome.

I am also grateful to all the teaching and non teaching staff of P. Wadhwani college of pharmacy, for their support and the continuous encouragement during my project work.

I express my heartly and humble thanks to Amit Bhople, Harshal Kalinkar, and Mayuri Bari for their cooperation and support.

Finally, I would like to thank God my family for believing in me and providing constant support, at the last my lovely thanks to my beloved wife and parents for their charming company.

There are many others whose names flashed across my mind when I enlist those who have given grateful to me. It would rather impracticable to mention each of them separately, but I am conscious to my obligation and thank them collectively.

I thanks all those who help me in strengthening my soul, clearing my vision, inspiring my ambition and putting a foot towards success.

Thankful I ever remain............
