

ACKNOWLEDGEMENTS

I would like to express my sincere thanks, deep sense of gratitude and reverential affection towards my research guide **Dr. S.S. Sangwan**, Professor, Department of English & Foreign Languages, M.D.U., Rohtak. His insight into the subject was a perpetual source of inspiration for me and I learnt a lot from the enlightening comments he offered on my work. But for his help, this work could never have been accomplished. With his mature critical faculty and characteristic patience, he helped me acquire the proper understanding of the issues involved in the study. I also register my thanks to **Dr. Ranjana Sangwan** for her constant co-operation.

I am greatly beholden to my husband **Sh. Rajesh Khyalia** and my daughter **Khushi** for their relentless love, encouragement and unstinting moral support without which I would never have been able to complete this task. I also wish to acknowledge my deep indebtedness to my respected mother, loving sister and our family friend, **Sh. Sadanand**.

Finally, I thank Mr. Sanjay Rathee, Rathee Computer, University Shopping Complex, Rohtak for extending timely help during typing of this thesis.
