ACKNOWLEDGEMENT

It is with profound sense of gratitude that I acknowledge the pivotal role that Dr. D.S. Bajia, Senior Lecturer, Department of Defence and Strategic Studies, M.D. University, Rohtak played in completion of this thesis. He not only was stimulatory and proficient as a guide but also extremely helpful and supportive as a person throughout the long period of trials and tribulations. But without his constant help and encouragement, this work would not have been completed.

I wish to place on record my special thanks to Dr. Rajender Siwach, Reader and Head, Department of Defence and Strategic Studies, M.D. University, Rohtak, for their help and cooperation extended to me from time to time.

I am indebted to the authors and scholars whose scholarly writings and view-points have been made use at various places in this research work.

I am also thankful to whole of the library staff of M.D. University, Rohtak, IDSA, New Delhi, Teen Murti, New Delhi, J.N.U, New Delhi HAU Nehru Library, Hisar, Jat College, Hisar, for their cooperation in providing me all available reading material.

I must still give due credit to my parents, brother and sister, and to my better half for their constant care, generous assistance and cooperation for this study.

My thanks are also due to Mr. Lawan Jain for his skillful and efficient computer typing of the thesis.

Last but not the least, I extend my grateful acknowledgement to M.D. University, Rohtak, for providing me with an academic environment, necessary guidance and every kind of facility.
