CHAPTER IV  ANALYSIS AND INTERPRETATION OF DATA

- Causes of mental retardation in the North-East 68-72
- General problems of mentally retarded children in the North-East 72-73
- Educational problems of mentally retarded children in the North-East 74-82
- Educational provisions for mentally retarded children in the North-East 83-97
CHAPTER-V FINDINGS OF THE STUDY AND CONCLUSIONS 99-109

- Causative factors of mental retardation
  in the North-East 99-109
- General problems of mentally retarded children
  in the North-East. 101-102
- Educational Problems of mentally retarded children
  in the North-East. 102-103
- Educational provisions for mentally retarded children
  in the North-East 103-105
- Existing rehabilitation programmes
  in the special schools of the North-East 106
- Problems related to rehabilitation of
  mentally retarded children in the North-East 106-107
- A comparison between present study
  findings and past findings 107-108
- Conclusion 108-109
CHAPTER - VI  ACTION PLAN AND SUGGESTIONS
FOR FURTHER STUDY

- Prevention of causative factors  
  110-111
- Identification and treatment  
  112
- Awareness programmes and educational measures  
  112-114
- Rehabilitation Programme  
  114-115
- Suggestions for further study  
  115

- SUMMARY  
  116-126

- BIBLIOGRAPHY  
  127-152

LIST OF TABLES

1.1 Related to the categories of mentally retarded, their I.Q.
   and performances  
   7
2.1 Percentage of hereditary origin of mental deficiency  
   17
2.2 Estimated proportion and various grades of mental subnormality  
   25
2.3 Diagnostic break up  
   27
2.4 Distribution on Socio-demographic variables  
   28
2.5 Developmental milestones and age level  
   31
2.6 Comparison of development between normal and mentally retarded children

2.7 Stimulus and reaction time of M.R. Children

2.8 Distribution of studies in mental retardation

3.1 Sample of the Population

3.2 Case studies in different states

4.1 Diagnostic break up of case studies

4.2 Incidence of mental retardation in different income groups

4.3 Level of intelligence quotient against mental age and chronological age

4.4 Residential facilities of the institutes

4.5 Rental and own school building

4.6 Sanitation facilities of the institutes

4.7 Information about water supply

4.8 Institutes and common room facilities

4.9 Institutes and library facilities

4.10 Institutes and state assistance

4.11 Institutes and central assistance

4.12 Institutes getting financial assistance from local body

4.13 Institutes with and without play ground

4.14 Parent-Teacher Association

4.15 Medical service in the special institutes

4.16 Age criteria for admission
4.17 Individual figures of seat in different schools in the North-East.  
4.18 List and figures of private and Govt. aided institutes in the North-East  
4.19 Figures of residential school and day care centres  
4.20 Number of classroom against each school  
4.21 Enrolment of teacher based on sex  
4.22 Students enrolment in school based on sex  
4.23 Institution wise teacher student ratio  
4.24 State wise teacher student ratio  
4.25 Institutions and types of classes  
4.26 Institutes and Nature of curriculum  
4.27 Parent-Teacher Association  
4.28 Institutes with guidance service
