Acknowledgement

I feel immense pleasure in extending my profound sense of gratitude and heartfelt devotion to Dr. B.L. Khan, Prof. and Head of department of animal husbandry and dairying C.S. Azad university of agriculture and technology, Kanpur. I also express my devotion to Prof. Khan for his kind initiation, ruthless but constructive criticism, excellent supervision which enabled me to solve various problems during the course of persuasion of this research work. I sincerely feel that without his help I could not reach the zenith in the area of my subject of research.

I express my sincere and heartiest thanks to respected Dr. G.N. Lodhi, Ex. principal B.N.V. college, Rath for his valuable suggestions as co-guide.

I am indebted to my parents Shri. B.M. Singh Parihar and Smt. R.K. Devi Parihar. I am grateful to my elder Dr. S.K. Parihar, Shri. Jagrom Singh Chauhan, Shri. Kalyan Singh Parihar, Shri. R.B. Singh Parihar and my Bhabhi Smt. Sudha Rani Parihar for their inspiration, kind blessing and pecuniary help. At this occasion of pleasure I remember my loving sister’s son Mr. Narendra Singh, nephew Lokendra, Yogendra and nice Garima.

I am highly indebted to my respected teachers Shri. Jagveer Singh Ex. Principal Zila parishad krishi Mahavidyalaya, Banda, Shri. R.R. Singh Chauhan A.I.C. Bisanda, Banda for rendering invaluable help to me at different stages of this study.
My heartiest thanks to my colleagues Shri. A.K. Yadava, Dr. S.S. Hasan, Shri. J.P. Singh, Shri. S.K. Gupta, Shri. S.S. Gupta, Shri. Rajendra Gupta and Shri. Ram Naresh Gupta for their moral support and help during research work.

Special thanks to Shri. Kishor Bajpai, Shri. Anurag Gupta, Dr. Ram Bharat Singh Tomar Principal R. G. Degree College, Banda, and Shri. Naresh Chandra Gupta for their contribution and advice during work and preparation of thesis. I am grateful to them.

On this occasion I can not miss to remember Late Vandana Devi Parihar, my wife, for her unseen co-herent inspiration and the time I spent with her.

I express deep sense of appreciation to my wife Smt. Anita Singh Parihar for her sincere understanding which help me a lot and my son master Anurag Singh Parihar, my daughter baby Mahima Singh Parihar, who used to bear with me long absence during this research work.

At last I feel my moral duty to give a word of appreciation to all my friends who gave me moral support directly or indirectly during the research work and preparation of this manuscript.
