ACKNOWLEDGEMENTS

On the suspicious occasion of completion of the present work, I feel my privilege and honest duty to extend the sense of gratitude to the persons who brought this work to a great success.

I fail to express my sense of indebtedness from the deepest recess of my heart to my esteemed benevolent teacher Dr. V.K. Sharma, M.D., D.C.P., Associate Professor and Head, Department of Pathology, M.L.B. Medical College, Jhansi who provided me an opportunity to perform this work under his guidance. The present work at every stage bears the impressions of his valuable suggestions, concrete guidance constructive criticisms and meticulous attention. I am extremely grateful for the ceaseless attention he has paid to my problems always sparing a few moments for us even amidst the busiest of his schedules, without which the work had not been the light of the day. He inspired me from time to time with his canny precisions, untiring most and unfathomed knowledge throughout this humble venture.

Respectful and sincere gratitudes are reserved to Dr. (Mrs.) Ratna, M.D., Assistant Professor, Department of Pathology for her constant and consistent help. Her most precious help keen interest, constructive criticism, valuable
suggestions and constant encouragement to mould this work have been extremely fascinating in successful completion of this work.

I am equally grateful to Dr. R.S. Sethi, M.D., D.C.H., Assistant Professor, Department of Paediatrics and Dr. Navneet Agarwal, M.D., Assistant Professor, Department of Medicine for his expert guidance, wise suggestion, and advise regarding the intricacies of this work.

I am undoubtedly thankful to my colleagues and my friends in building up the infrastructure of this work and timely help without which, this work could have been a lot more difficult.

I express all my regards to my parents whose love, blessings, encouragement and moral support made me possible to reach at this stage of life. I express my special thanks to my sisters for their co-operation and support.

I am also thankful to Mr. Devi Prasad, Lab. Tech. and Mr. Laxman Prasad Lab. Attendent for their timely co-operation.

Finally, I must say a necessary word of appreciation for Sri K.L. Kosta for his admirable efforts meticulous attention immense care and patience in typing out this manuscript.
