ACKNOWLEDGEMENT

I record my deep sense of indebtedness and gratitude to Prof. K.B. Deshpande, M.Sc. (Osmania), Ph.D. (Lond.), D.I.C., F.B.S., Senior Professor and Head of Botany Department, Marathwada University, Aurangabad, for constantly guiding me during the course of this investigation.

Sincere thanks are hereby acknowledged to the University Grants Commission, New Delhi, for the Junior Research Fellowship award. Grateful thanks are also due to Prof. D.D. Khanolkar and Dr. R.A. Bhobe, Department of Chemistry of this University for permission to carry out spectrophotometric assay in their laboratory.

Thanks are due to Mr. V.A. Chowdhary for his help in the preparation of the illustrations and Mr. M.S. Muraleedharan for typing the manuscript.

Thanks are also due to my colleagues, Mrs. S.R. Shinde, Drs. D.S. Mukadam, P.B. Papdiwal, Mr. G.V. Umalkar and friends from this Department for help in various ways.

Lastly my gratitude is to my parents, Mrs. and Mr. M.A. Qadeer for their constant encouragement and sacrificial support.
