

ACKNOWLEDGEMENT

I have immense pleasure in expressing my deep sense of gratitude to Prof. S.N.Patnaik, Ph.D., F.L.S., P.G.Department of Botany, Utkal University for his constant supervision, guidance and encouragement without whose blessings, this thesis could not have been completed and my dream could not have become a reality. I am also grateful to Prof. Patnaik for providing necessary facilities as Head of the Department to carry out this work.

The good wishes, invaluable suggestions and kind help by Dr. (Mrs.) K.K.Patnaik, Professor and Head, Parija P.G.Department of Botany, Ravenshaw College, Cuttack enabled me in bringing my work to fruition.

My sincere thanks are due to Dr. J.R.Mishra for his generous help during the preparation of my thesis.

My special thanks are due to Dr. S.P.Rath, Dr. (Mrs.) B.Behera, Dr. M.Kar and Dr. B.Pradhan for their critical appreciation of my work.

I wish to record my sincere thanks to Ashok K.Pattnaik for his encouragement and help during this work.

I extend my deep sense of gratitude to my wife, Anna without whose support, I could not have completed this study.

I acknowledge the award of study leave by the Department of Education and Youth Services, Government of Orissa, Bhubaneswar for this research work.

My thanks are due to Mr. Mina Ketan Acharya for neatly typing the manuscript.
