ACKNOWLEDGMENT

I am greatly indebted to Dr. M. Mahapatra, Professor, Department of Library & Information Science, Utkal University for his kind supervision for completing this project.

I am thankful to my teacher Dr. B. Parida, Reader and Head of the Department of Library & Information Science, Utkal University for his kind permission to work in the Department. I am also thankful to my teacher Dr. P. Padhi, Reader and other staff of the Department particularly to Sri S. Swain and Sri M. Behera for their encouragement.

I am grateful to Dr. M. K. Patra, Director, Asian Worker's Development Institute, Bastia Smruti Sadan, Rourkela for his kind permission to submit the thesis and for bearing with me in my long absences from the Institute during the preparation of this thesis. I am thankful to my colleague in the Institute, Sri B. Padhi, Lecturer, for his constant co-operation and help.

I am thankful to the Librarians and authorities of several libraries for giving me permission to consult their libraries for my work. To name a few: (i) The Director, Indian National Scientific Documentation Centre, (INSDOC), New Delhi; Librarian, University of Delhi, New Delhi; Librarian, Parija Library, Utkal University, Bhubaneswar; Librarian, Andhra University Library, Visakhapatnam; Librarian, Indian Institute of Science (IIS), Bangalore etc.

I am grateful to the Authority of the Rourkela Steel Plant, Rourkela
for giving me necessary permission to work in its premises. Thanks are also due to the Librarians of the Steel Plant Libraries; Sri A. Srivastav of the Steel Plant computer section without whose co-operation this work would never have been completed.

I am really very much thankful to those employees of the Steel Plant who formed the sample of my work, who could spare some of their very valuable time during my data collection, without which this work would not have seen the light of the day.

My heartiest regards are to my parents, my uncle, my brother and sister-in-laws for their love and co-operation. In fact they are responsible for my inspiration in conducting this research. I am also thankful to my other family members for their help and encouragement.

I am thankful to my brother-in-law, Sri J. K. Das, for his constant encouragement from the beginning of my work.

I am thankful to Sri C. Panda, Proprietor and to Sri Ajay Sarangi of M/s S.S. Printers, Sahid Nagar, Bhubaneswar for his help in data entry and printing of this Thesis, without which this would not have been looked so neat.

I am thankful to several of my friends and relatives, wellwishers at the Institute and outside for their help and encouragement.
