

## List of Tables

<u>Table No.</u>		<u>Page</u>
1.	Means and SDs of Intelligence Scores of Blind Children.	105
2	Summary of One way Analysis of Variance of Intelligence Scores of Blind Children.	105
3	Means and SDs of N-ach (+) Scores of Blind Children.	107
4	Summary of One way Analysis of Variance of N-ach (+) Scores of Blind Children.	108
5	Means and SDs of N-ach (-) Scores of Blind Children.	109
6	Summary of One way Analysis of Variance of N-ach (-) Scores of Blind Children.	110
7	Means and SDs of N-ach (Total) Scores of Blind Children.	110
8	Summary of One way Analysis of Variance of N-ach (Total) Scores of Blind Children.	111
9	Means and SDs of Self-Concept Scores of Blind Children.	113
10	Summary of One way Analysis of Variance of Self-Concept Scores of Blind Children.	113
11	Means and SDs of IAR for Success Scores of Blind Children.	115
12	Summary of One way Analysis of Variance of IAR for Success Scores of Blind Children.	115
13	Means and SDs of IAR for Failure Scores of Blind Children.	116
14	Summary of One way Analysis of Variance of IAR for Failure Scores of Blind Children.	116
15	Means and SDs of IAR (Total) Scores of Blind Children.	117
16	Summary of One way Analysis of Variance of IAR (Total) Scores of Blind Children.	117

<u>Table No.</u>		<u>Page</u>
17	Means and SDs of Extraversion Scores of Blind Children.	118
18	Summary of One way Analysis of Variance of Extraversion Scores of Blind Children.	119
19	Means and SDs of Neuroticism Scores of Blind Children.	120
20	Summary of One way Analysis of Variance of Neuroticism Scores of Blind Children.	120
21	Means and SDs of PADS Scores of Blind Children.	121
22	Summary of One way Analysis of Variance of PADS Scores of Blind Children.	122
23	Means and SDs of PADS Scores of Blind Children.	123
24	Summary of One way Analysis of Variance of PADS Scores of Blind Children.	123
25	Means and SDs of Achievement Scores (Oriya) of Blind Children.	124
26	Summary of One way Analysis of Variance of Achievement Scores (Oriya) of Blind Children.	124
27	Means and SDs of Achievement Scores (Mathematics) of Blind Children.	126
28	Summary of One way Analysis of Variance of Achievement Scores (Mathematics) of Blind Children.	126
29	Means and SDs of Total Achievement Scores of Blind Children.	127
30	Summary of One way Analysis of Variance of Total Achievement Scores of Blind Children.	127
31	Means and SDs of S.U.P.W. Scores of Blind Children.	128
32	Summary of One way Analysis of Variance of S.U.P.W. Scores of Blind Children.	128

<u>Table No.</u>		<u>Page</u>
33	Means and SDs of Music Scores of Blind Children.	130
34	Summary of One way Analysis of Variance of Music Scores of Blind Children.	130
35	Means and SDs of Rating Scores of Blind Children.	131
36	Summary of One way Analysis of Variance of Teacher Ratings of Blind Children.	131
37	Inter Correlation Matrix for blind children reading in K.G. to Standard V.	133
38	Factor Loadings (Varimax Rotation)	134
39	Inter Correlation Matrix for blind children reading in Class VI to Class VIII.	138
40	Factor Loadings (Varimax Rotation)	139
41	Inter Correlation Matrix for blind children reading in Class IX to Class X.	143
42	Factor Loadings (Varimax Rotation)	144
43	Relationship between Intelligence and Personality factor with Educational achievement of Blind Children (K.G. to Standard V).	148
44	Relationship between Intelligence and Personality factor with Educational achievement of Blind Children (Class VI to Class VIII).	149
45	Relationship between Intelligence and Personality factor with Educational achievement of Blind Children (Class IX to Class X).	150
