ACKNOWLEDGEMENTS

The present endeavour is a Doctoral thesis is made possible for the inspiration and contribution of superiors after the completion of post graduation. I shall be obliged for ever.

My teacher, well wisher and guide Dr. Prafulla Chandra Dash gives authentic suggestion at every moment throughout the three year researched study. He has given me encouragement and unfailing support in my work. In spite of their teaching and other academic responsibilities his valuable guidance has given me to complete this work, So I express deep gratitude to him.

I must express my thanks to the well informed Asst. librarian B. Patra and library attendant Gagana Behera, Parija library, Utkal University, Radhu Charana Swain S.J.S.V library, N. Sethi librarian of H.K.M. state library, orissa and all the members of Sadsiva sanskrit Mahavidyalaya library.

I am deeply indebted to my parents and Prof. Dr. Alekha Sarangi for his valuable comments on this paper.

May the parents of the universe
Parvati and the supreme Lord Lingaraj
eaternally con-joined all word and meaning
great fittest utterance to my thoughts.
