SELF-REPORT INVENTORY OF PEOPLE WITH LOCOMOTOR DISABILITIES (SRIPLD-E)

This self-report inventory is devised to know the attitude of people with locomotor disability toward their disability, themselves, other disabled people, own parents, rehabilitation professionals/personnel, discipline, work and inherent abilities.

This inventory consists of some statements representing positive traits and negative variants and you have to express your opinion about these statements ON THE ANSWER-SHEET. These statements are concerned to you, your parents and others who are either dealing with disabilities or having locomotor disability or affected by the effects of locomotor disability.

All the statements are related to yourself or to those disabled people who are having defective limb(s) or having mobility problem caused by their own disability or deformity.

Your opinion expressed in response to this inventory will be kept confidential.

HOW TO REPLY?

Give your reply by marking _/_; _/; ?; X; and XX on the given ANSWER SHEET as follows:

IF AGREED or approved, then : _/ (One tick)
IF STRONGLY AGREED, then : _/ (Two ticks)
IF UNDECIDED OR UNCERTAIN OR CANNOT SAY, then : ? (Question mark)
IF DISAGREED or disapproved, then : X (One cross)
IF STRONGLY DISAGREED, then : XX (Two cross)

THERE IS NO TIME LIMIT.
THERE IS NO RIGHT OR WRONG ANSWER.

TRY TO ANSWER EACH AND EVERY STATEMENT HONESTLY AND FRANKLY.
TRY TO REPLY AS QUICKLY AS POSSIBLE.

OPEN THE ANSWER-SHEET AND START REPLYING ALL THE STATEMENTS ON THE ANSWER-SHEET ONLY.
DI ATTITUDE TOWARD MY DISABILITY

S.01 I am responsible for my disability.
S.02 I am victim of my destiny.
S.03 I am not able to do those works in which flexible body movement is required.
S.04 I become tense due to my inability to participate in physical activities.
S.05 Disability puts an individual in disadvantage – both socially and economically.
S.06 My actual participation in the family is limited due to my disability.
S.07 I feel that my marriage and sexual life will be affected due to my disability.
S.09 I feel restless when someone shows pity due to my disability.
S.10 Sometimes, disability is a source of inspiration

DII ATTITUDE TOWARD MYSELF

S.11 Mobility problem is the cause of my social isolation.
S.12 I am well accepted by the relatives and friends.
S.13 My disability does not make me feel awkward in the company of other people.
S.14 I have completely learned to live with my disability now.
S.15 A person’s worth in the eyes of others does not depend upon their health.
S.16 I can always talk about my disability without anybody feeling awkward.
S.17 My way of movement is striking and special.
S.18 I accept myself as ‘I am’.
S.19 I am mentally depressed.
S.20 I am well adjusted to my disability as far as the movement and mobility is concerned
III. ATTITUDE TOWARD OTHER DISABLED PEOPLE

S.21. Most of the disabled people are restricted at home.

S.22. The most effective way of helping disabled people is to help them to help themselves.

S.24 Disabled people are employable after proper training.

S.25 Disabled people are capable of running self-employment activity.

S.26 Disabled people get fair treatment from Government and/or other agencies.

S.27 Proper treatment at proper time could have minimized my disability and its effects.

S.28 Disabled people can perform activities of daily living like toileting, bathing, wearing clothes, etc.

S.29 Disabled people can use public transport.

S.30 Disabled people can take care of personal appearance like hair, nails, tooth, shaving, make up, etc.

DIV ATTITUDE TOWARD OWN PARENTS

S.31 My disability is the cause of my parent's past birth actions (KARMAS).

S.32 My parents are wounded due to my disability.

S.33 My parents are always apprehensive about my future life.

S.34 My parents think that I will be successful in business and have healthy attitude toward work.

S.35 My parents think that my disability is affecting my marital and sexual life.

S.36 My parents think that I am careless about my children or/and spouse.

S.37 My parents think that I am a liability to my family.

S.38 My parents think that my disability is a curable disease/preventable state.

S.39 My parents think that I need help in activities of daily living.
S.40  My parents think that my major problem is mobility.

DV. ATTITUDE TOWARD PROFESSIONALS

S.41  The professionals understand the effect of impairment on disabled people’s life.

S.42  The professionals think that the disabled people will improve through training.

S.43  The professionals think that the disabled people should get fair treatment from siblings.

S.44  The professionals think that the disabled people have sound psyche and mental makeup.

S.45  The professionals think that the disabled people should get rehabilitation support from the Government and voluntary organizations.

S.46  The professionals think that the disabled people should advocate their cause for their well being.

S.47  The professionals think that the disabled people have the right to see the places related to work and leisure.

S.48  The professionals think that the disabled people should strive for integration, both social and economic.

S.49  The professionals think that disabled people face difficulty in mixing with the able-bodied persons.

S.50  The professionals think that the disability is a social disadvantage.

DVI. ATTITUDE TOWARD DISCIPLINE

S.51  Discipline can bring unbelievable change in life.

S.52  I am confident of bringing positive changes in life by being disciplined.

S.53  The idea of being disciplined terrifies me.

S.54  Discipline takes away much charm from our personal life.

S.55  Discipline puts one under many types of constraints.

S.56  I intend to strengthen my discipline for my self-development.
5.57 Discipline kills one's freedom.
5.58 I am afraid the discipline would destroy peace of my mind.
5.59 I prefer disciplined life to undisciplined life.
5.60 Discipline is a kind of exploitation.

DVII ATTITUDE TOWARD WORK

5.61 Life implies work.
5.62 Work is the best therapy to overcome depression.
5.63 Craving for work is as bad as craving for alcohol.
5.64 Life has no meaning without work.
5.65 I derive most satisfaction when I work.
5.66 I feel life through work.
5.67 For me, work is workshop.
5.68 Too much work is bothering.
5.69 I look for challenging work.
5.70 Too much work is a kind of disease/passion.

DVIII ATTITUDE TOWARD MY ABILITIES

5.71 All humans have abilities to overcome their difficulties.
5.72 I have discovered that I have more abilities than what I thought I had.
5.73 New abilities can be developed.
5.74 Persons can achieve any ability if they try sincerely
5.75 I feel confident of my abilities.
5.76 Abilities are born and not made.
5.77 Abilities are product of change.
S.78 I have experienced that it is possible to acquire unusual ability.

S.79 I have perceived that my abilities are not static, they are expanding.

S.80 Disabled people can aspire for unusual ability.

MANY THANKS FOR EXTENDING WHOLE-HEARTED COOPERATION IN OUR ENDEAVOUR TO EXPLORE MORE ABOUT DISABLED PEOPLE.

SELF-REPORT INVENTORY OF REHABILITATION PROFESSIONAL/PERSONNEL OF LOCOMOTOR DISABLED PEOPLE (SRINDP-E)

This self-report inventory is devised to know the attitude of the rehabilitation professional/personnel toward the parents of locomotor disabled people who are having an adult with disability, self-image, other disabled people, parents, professionals, discipline, work and inherent abilities.

Imagine, perceive or place yourself in the place of these parents who have children/adult of locomotor disability and answer accordingly.

All the statements are related to those disabled people who are having defective limb(s) or having mobility problem caused by their disability/deformity.

Your opinion expressed in response to this inventory will be kept confidential.

HOW TO REPLY?

GIVE YOUR REPLY BY MARKING "_/ /", "_/ /", "?", "X", AND "XX" IN THE GIVEN ANSWER SHEET AS FOLLOWS:

IF AGREED, THEN : "_/ " (ONE TICK MARK)
IF STRONGLY AGREED, THEN : "_/_/ " (TWO TICKS)
IF DISAGREED, THEN : "X" (ONE CROSS MARK)
IF STRONGLY DISAGREED THEN : "XX" (TWO CROSS MARKS)
IF UNDECIDED OR UNCERTAIN : "?" (QUESTION MARK)
OR CANNOT SAY, THEN : "?" (QUESTION MARK)

THERE IS NO TIME LIMIT. THERE IS NO RIGHT OR WRONG ANSWER. TRY TO ANSWER EACH AND EVERY STATEMENT HONESTLY AND FRANKLY. TRY TO REPLY AS QUICKLY AS POSSIBLE. OPEN THE NEXT PAGE AND START REPLYING ALL THE STATEMENTS.

NOTE: Remaining inventory is the same as Appendix-03 [A].
