ACKNOWLEDGMENT

No words can adequately express the sense of gratitude that I owe to my supervisor, Dr. V.K. Sehgal, who has been a source of constant inspiration and affectionate guidance. It was really a pleasure to discuss the subject matter with him. I have learnt a great deal under him because of his frank discussions and painstaking efforts. Needless to add, this work has been completed because of his very able and valuable guidance and working under him was a rewarding experience.

My grateful thanks are also due to Professor S. Biswas, Deptt. of Statistics, University of Delhi, Dr. P.K. Kapur, Reader, Deptt. of Operation Research, University of Delhi and Dr. R.B. Garg, Delhi University Computer Centre, who has supported me and gave me all help and encouragement.

I am also thankful to Dr. P.N. Srivastava, Reader and Head, Deptt. of Mathematics & Statistics, Bundelkhand University, Jhansi and all teachers of faculties.
Last, but not the least, I sincerely acknowledge blessings showered on me by my parents and good wishes to me from my elder sister and younger brother.
