First of all, I would like to express my profound gratefulness and gratitude to my supervisor Dr. (Mrs). M. Indira Devi, Sr. Reader and Head, Department of Chemistry, Nagaland University. I am much indebted to her for her able guidance, invaluable comments and many other useful advices, who enriches my knowledge and encouraged in bringing out this research work successfully.

It is my privilege to express my deep gratitude, appreciation and indebtedness to my co-supervisor, Prof. N. Rajmuhon Singh, Professor of Chemistry Department, Manipur University, who helped me in analyzing the data and preparing the final draft (Thesis). His invaluable suggestions and keen interest in this work have been a source of inspiration and encouragement to me.

I am grateful to faculty members of Department of Chemistry, Nagaland University, Dr. R.K. Bhubon Singh, Dr. Deepak and others staffs for their kind helps.

I express, my deep appreciation and indebtedness to Prof. S.N. Misra, Emeritus Professor, CSMCIR, Bhavnagar, Gujarat for his kind inspiration and help in planning of the work and help in computation, structure elucidation and literature survey.

I am very thankful to Mr. N. Raghumani Singh, Research Scholar, IIT – Kanpur, U.P. for his kind encouragement and help rendered during my library work at IIT, Kanpur.

I am grateful to Department of Chemistry, Manipur University -Canchipur, for allowing me to use the laboratory facility. My special thanks are given to the faculty members, Prof. Ak. Manihar Singh, Prof. M. Dhaneshwar Singh, Prof. S. K. Srivastava (H.O.D.), Dr. R.K. Hemakumar Singh and Dr. N. Rajen Singh for their kind encouragement.

I owe much to my colleagues Mrs. H. Debecca Devi, N. Yaiphaba, Ch. Sumitra, O. Medha and K. Anita for their cooperation, affection and regard. My gratefulness is extended to other friends who have assisted me in various capacities.

It is my duty to thank D.S.T., New Delhi for providing financial assistance as Project Assistant for 2 years in a D.S.T. Project during 2002-2004.

Lastly, I thank Department of Chemistry, Nagaland University for providing research facilities.

Date: 25/04/2005

(Th. David Singh)
