I am profoundly grateful to my supervisor Dr. Buno Liegise, for her sincere guidance and intellectual efforts for continuous enrichment throughout this work.

My sincere gratitude is due to Dr. R.P. Shukla, Head, Department, for his valuable comments and supports throughout my work, and all the faculty members of the Department of Education, Nagaland University for their kind co-operation.

I owe a deep sense of gratitude to the library authorities of NCERT, New Delhi, JNU, New Delhi, State Library, Kohima, NU, Kohima, and District Library, Mon for allowing me to have access to their literature.

A very warm thanks and appreciation to the head of the institutions, teachers and students of the participating schools in Nagaland for their co-operation in the collection of data for this study.

I would be lacking in gratitude if I do not acknowledge the experts in the SCERT, NBSE, Directorate of School Education, intellectuals, and community elders for their generous and creative responses to my queries during data collection.
