

Acknowledgements

I avail this opportunity to thank people with whom I have been associated in successful completion of the thesis. I have had great experience, pleasure and immense satisfaction while performing this study.

My first and foremost sincere gratitude is to my guide **Prof. R.V.S. Satynarayana**, Head of the Department, Department of Electronics and Communication Engineering, S. V. U. College of Engineering, Tirupati, for his valuable guidance, support and great concern extended to me at all stages of my doctoral work. I am greatly indebted to his constant encouragement in completion of this work.

I would like to express my personnel gratitude to **Prof. P. Sangameswara Raju**, Head of the Department, Department of Electrical and Electronics Engineering, S.V.U. College of Engineering, Tirupati and to all my Professors, lecturers and teachers, for their valuable teachings extended to me, right from my schooling to this point of journey, in the form of laying foundation to mould me in this fashion.

I would also express my personal gratitude to **Prof. S. Vardarajan**, Department of Electronics and Communication Engineering, Tirupati for his support and inspiration extended to me in carrying out this work.

I am indebted to my management for giving an opportunity to work in this field. I would also like to express my gratitude to all my senior officers and colleagues who have extended their support in performing this study.

Finally, I wish to thank my family for their unlimited dedication, support throughout so many years.

I take great pleasure in expressing my thanks to all those who contributed their valuable advice and helped directly or indirectly towards the successful completion of this thesis.

(M. BALASUBRAMANYAM)
