

LIST OF TABLES

ACKNOWLEDGEMENT

I am greatly indebted to my Supervisor Dr. Glenn T. Thong, Reader and Head of the Department of Geology, Nagaland University, Kohima for his constant guidance throughout this work. My sincere thanks go to Dr. Imtiwapang Aier, Project Assistant (DST) and Dr. (Ms) V. Rino, Research Associate (CSIR) of the Department of Geology, Nagaland University, Dr. (Ms) Nestalü Hiese, Research Associate (DST), Government of Nagaland, and Mr. Kaihe Kemas, Geologist (ONGC) for their immense contribution. I am forever indebted to my friends Wati, Abemo, and Lima for all their help during my fieldwork. The computer and software facilities and use of satellite data of the Indian Space Research Organisation (ISRO) are gratefully acknowledged.
