ACKNOWLEDGEMENT

I bow before the God for the strength and energy he provided me to complete this work through a number of ups and downs. Without the blessings and will of God this work would not have been completed. I dedicate my present work to the God.

The major force behind the preparation of this study is my supervisor and guide professor Pradeep Chandra Tripathy of Post Graduate Department of Commerce, Utkal University, Vanivihar. This work is the culmination of his idea, direction and valuable guidance at different stages in the past. His affection and encouragement are constant source of inspiration for me. His sincere advice will inspire me in the moment of hopelessness and despair in future. I am deeply obliged to him and remain grateful to him.

I thank the staffs of Forest Department, Government of Manipur for their cooperation and help during my field work and analysis of data. I thank the Principal Chief Conservator of Forests, Government of Manipur to allow me to carry out this work with a lot of encouragement.
I thank the faculty members and staffs of the Post Graduate Department of Commerce, Utkal University, Vanivihar for the help and cooperation during the research work. I thank Dr. R.K.Bal, Associate Professor for his encouragement and kind words during the course of this work.

I am thankful to the Librarians of Forest Department, Manipur, Secretariate, Manipur, National Forest Library and Forest survey of India, Dehradun for the help and cooperation extended to me during the study of this work.

I can never forget the encouragement and affection of my wife Dr. Rekharani Mishra, son Abhijit Mishra and brother Brajabandhu Mishra. I am inspired by the kind words and encouragement of all my family members and friends.

I thank Shri J. B. Mohanty and Shri Avimanyu Sahoo for the pain taken by them to type and prepare the thesis. I am indebted to them for their efforts and sincerity for preparation of this thesis.
