ACKNOWLEDGEMENT

I owe a deep sense of gratitude to my revered guide and mentor Dr. Krushna Chandra Panda for his dedication to reflective inquiry and his unfailing encouragement in endeavours towards its pursuit through discussions, teaching and writing. Inspite of his hard pressing engagements and busy schedules, he was kind enough to spare much of his valuable time in reviewing the manuscripts ungrudgingly. His constant and regular guidance, inspiration, and valuable suggestions from time to time could finally bring this work to light. I am also indebted to his family members who have also helped me in several respects in connection of this research work.

I am grateful to all the faculty members of the Department of Library and Information Science, Utkal University, Vani Vihar, Bhubaneswar. I express my special gratitude to Dr. Pitambar Padhi, Reader, DLIS for his constant encouragement to complete the work in a concrete form.

I would like to record my deep sense of gratitude to all faculty members and staff of Nabakrushna Choudhury Centre for Development Studies. My special thanks are due to Prof. S. N. Misra and Prof. K. C. Samal who have encouraged me to complete work successfully. I am also thankful to Dr. S. Meher, Mr. Damodar Jena, Miss. Kabita Pattnaik, Miss Snigdha Samantaray for their unhesitating help.

I am also thankful to Mr. Jishu Ketan Pattnaik, Mr. P. K. Mishra and Mr. Mihir Mahapatra for their unhesitating help.
I am also equally thankful to the following faculty members of Utkal University.

Dr. Gopabandhu Misra, Reader, Department of Statistics has helped me in suggesting the proper statistical technique and correcting the same.

Mr. B. B. Mishra, Sr. Lecturer, Department of M.B.A., has helped me in undertaking the calculation of statistical technique by his computer.

Mr. Jatin Nayak, Reader, Department of English, has gone through the whole manuscript and corrected it inspite of his busy schedule.

I am indebted to Shri Ramhari Mishra, Correspondent, National Herald, for his valuable suggestions for incorporating some new ideas.

I express my deep sense of gratitude to my elder brother Shri Digambar Mahalik, a computer professional in providing an excellent format, data entry, designing and page settings in Unoserve Documentation for this thesis.

I feel indebted to my wife, son and daughter who share with me the troubles and extended their moral support in completion of this work. Last but not least, I would like to acknowledge the help, assistance, support and cooperation of all the friends who have helped me directly or indirectly in completing this research work in time.
