ACKNOWLEDGEMENT

The pursuit and completion of an academic degree include numerous individuals, and there have been many involved with my experience.

I would like to express my deepest thanks to my supervisor Dr. Ashoktaru Barat, Principal Scientist, Directorate of Cold Water Fisheries Research, Bhimtal for his inspiring guidance, encouragement, untired cooperation and for providing necessary research facilities throughout the course of this investigation.

I acknowledge and express my deepest gratitude to my co-supervisor Dr. Veena Pande, Head, Department of Biotechnology, Kumaon University, Nainital for her constant motivation, suggestions and guidance towards the completion of this study.

I would also express my sincere gratefulness to Dr. P.C. Mehanta, Director, Directorate of Cold Water Fisheries Research, Bhimtal for allowing me to do work at Directorate of Cold Water Fisheries Research and providing necessary research facilities throughout the course of this investigation.

I would like to thank Dr. P.K. Sahoo (Senior Scientist, DCFR) for her kind cooperation and soothing affection during the course of investigation and preparation of this manuscript. Thanks to Dr. G.K. Shivaraman, Dr. R.S.Patiyal, Dr. Prem Kumar, Dr. S. Ali and all the scientist of DCFR for their constant supports in every possible way. I thank them for willingness to help and troubleshoot any and most of the problems that I have faced during this investigation.

My acknowledgement will be incomplete without mentioning the friendly co-operation of Suresh Sharma, Dr. A. Darshan, Seema Sah, Jyoti Sati, Chirag Goel, Rohit Kumar, Himani Pandey and Ankita Tyagi. They have been extremely supportive and understanding through the duration of this study and I am quite grateful to them.

I am also thankful to Mr. Amit Saxena & Mr. Vijoy Kumar Singh for their technical assistance, guidance and help during my research work.

The financial assistance provided by Directorate of Coldwater Fisheries Research (Indian Council of Agriculture Research) and Department of Biotechnology Government of India is gratefully acknowledged.

Finally a special thanks to my parents for the entire moral boosting.

In the end, I would like to thank everyone who directly or indirectly helped in any stage of the progress of this thesis.

May, 2012
Bhimtal

(Rakesh Matura)
