ACKNOWLEDGEMENTS

It is my pleasure to express my sincere thanks with a deep sense of gratitude to my esteemed research guide Dr. D. Shivalingaiah, Professor, Department of Library and Information Science, Mangalore University for his invaluable guidance, constant encouragement, support, and suggestions, from time to time which have been of immense help to me in preparing this thesis. It is professor's endearing encouragement and unstinted support that enabled me to complete this task. In spite of his busy schedule and professional assignments he has spared his valuable time and guided me to accomplish this work. The topic for the present study as well as the analytical ideas provided to me during the research work was of immense help to me. Words are not enough to explain my gratitude to my guide.

It is my privilege to express gratitude to Dr. A. K. Baradol, Professor and Chairman, Department of Library and Information Science, Mangalore University. I am extremely grateful to Dr. V G Talawar, Eminent Professor of Department of Library and Information Science and Vice Chancellor, University of Mysore for his timely valuable suggestions, co-operation and good wishes.

I have immense pleasure in expressing gratitude to the Mangalore University, for the help and support rendered to me. I record my gratitude to the UGC for providing me the FIP fellowship for completing the research work.
Sincere thanks are due to Dr. Mahesh V.
