ACKNOWLEDGEMENTS

I have esteem pleasure to express my heart-felt gratitude to Dr. P.K. Nikam, Reader in Entomology, Department of Zoology, Marathwada University, Aurangabad for suggesting the problem and keenly guiding me. Because of his affectionate treatment, inspiration, pertinent criticism and continuous encouragement gave me insight in contributing this research work in the form of thesis.

I wish to register my grateful thanks to Dr. R. Nagabhushanam, Professor and Head, Department of Zoology, Marathwada University, Aurangabad for providing facilities and encouraging me during my research work.

I also wish to record my thanks to Dr. P.K. Nikam, Dr. K.S. Heble, Dr. L.J. Kanhekar, Dr. S.M. Nikam, Dr. D.L. Phand and Mr. S.M. Kurhade for the utilization of their collections for the study of my research work.

I am indeed most grateful to the Chairman and the Management of Pravara Rural Education Society, Pravaranagar (Ahmednagar) and Dr. M.G. Hapase, Principal, Padmashri Vikhe Patil College, Pravaranagar, presently Pro Vice-Chancellor, Poona University, Poona, for providing the opportunity to undertake the doctoral studies under the Faculty Improvement Programme (FIP) of the University Grants Commission (UGC) and Mr. S.N. Navle, Vice-Principal and Head, Zoology Department and other colleagues of my college for their suggestions and help during the course of the investigation.
I express my sincere thanks to Dr. P. K. Nikam, my guide; Prof. V.K. Gupta, Department of Entomology and Nematology, University of Florida, Gainesville, Florida 32611 U.S.A., Mrs. G.H. Heinrich, Dryden, Maine, 04225, U.S.A. and Prof. I. D. Gauld, Commonwealth Institute of Entomology, British Museum (Natural History), London SW 7, 5 BD for sparing literature and valuable publications. I am also thankful to the authorities of Indian Agricultural Research Institute, New Delhi and M.P.K.V. Rahuri (Maharashtra) for consultation of literature.

I extend my sincere appreciation and thanks to my friends Mr. J.N. Nigal, Dr. D.L. Phand and Dr. S.M. Nikam for their continuous help, physical involvements in every aspect and experimental work during my research work to make a success.

I am indeed deeply indebted to my mother, maternal uncles and aunts, to whom this thesis is dedicated, were the ceaseless source of inspiration, affection and encouragement throughout my educational period. I, also take opportunity to acknowledge my thanks to all my relatives and friends, who directly or indirectly helped me in my work.

Thanks are also due to many of my friends Mr T.K. Birari, Mr. C.V. Pawar, Mr. S. M. Kurhade, Mr. R.S. Pandit, Mr. S.N. Ambekar and Miss Ashoka Gaikwad for their co-operation and help in finalizing the thesis.
I can not however, refrain from paying compliments to my wife Sau, Ratna and children Ketaki, Mohaneesh, Ambarish and brother Bhikaji for their patience, forbearance, encouragements, for creating and stimulating domestic tranquility.

Lastly, I am thankful to Mr. Shrikant, Mr. Bhoopesh, Mr. Sopan, Mr. Hrishikesh, Mr. Anil for their excellent drawings and finishing of the thesis work and Mr. Nitin Nikam for his meticulous and prompt typing of the thesis.
