ACKNOWLEDGEMENTS

I express my indebtedness and deepest senses of gratitude to my research guide Dr. D. B. Shinde, for introducing me to the fascinating world of Chemistry. His broad-based knowledge in this field and science-oriented personality has been essential for appreciation and encouragement served as a constant inspiration and also for the freedom to work independently during the entire course of this research work will remain symbol of inspiration to me, throughout my life.

I wish to thank to Head, Department of Chemical Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their support and providing the excellent research facilities.

I am heartily thankful to Dr. J. B. Naik, Mr. C. D. Gourshete, Mr. P. S. Wakte, Dr. U. S. Annapure, Mr. K. Madhavi, Mr V. V. Lomte, and Mr. B. K. Sakhale teaching staff of Department of Chemical Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for timely suggestions and creating such nice and fluently functioning working surroundings.

I am highly obliged to extend my gratitude towards Prof. M. S. Shingare, Dr. Y. H. Deshpande and Dr. R. A. Mane, Department of Chemistry, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their excellent guidance and support throughout the research work.

I extend my sincere thanks to Dr. B. S. Kuchekar, Govt. College of Pharmacy, Karad for his constant encouragement, profound help and for availing me the necessary facilities during my research activities.

Acknowledgements are due to all members of non-teaching staff of Department of Chemical Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their timely help and moral support during the said project.

Especially I am thankful to my room mate Dr. Laxmikant Dama, Dr. Chetan Jawale, for their friendship and helping me in various ways.
