ACKNOWLEDGEMENT

It is my privilege to thank the authorities of the Gandhigram Rural University (GRU), Gandhigram for admitting me to carry out this Ph.D., research work in the Department of Extension Education.

I acknowledge with gratitude the constant encouragement and help extended by Dr.A.Suriyakanthi, Professor and Head of the Department of Adult and Continuing Education, Dr.N.Narayanasamy, Professor, Department of Extension Education and Dr.M.P.Borian, Professor and Head of the Department of Extension Education.

When I think of the great help rendered by Dr.S.K.Gopal, Reader, Department of Extension Education on lien to Krishi Vigyan Kendra, GRU, to complete this research work, I recall a couplet from Thirukkural, which says: It was not the help that was rendered but it was the spirit with which it was rendered. In this regard Dr.S.K. Gopal was a constant source of inspiration, enthusiasm and was particular to generate authentic data and a quality thesis, which may be useful to persons involved in anti poverty programmes. I express my special thanks to him.

I am thankful to Dr. S. Shankar, Professor and Head of Department of Sociology, Bharathi Dasan University and Dr.S.Subramaniam, Former Scientist, Govt, of India for their valuable advise.
Dr. M. Baskaran, Baskara Constructions and Thiru. S. Ponnurangam, Chozha Creations, Chennai were there to help me. I am thankful to them. Thanks to Dr. P. Sekar and Dr. Shanthi Sekar, Pushpam Nursing Home, Salem, who always encouraged me in my endeavours.

Dr. S. Devadoss, Director, National Institute of Fashion Technology (NIFT), Chennai, Dr. C. Sivaprakasam, Reader, Department of Applied Research, GRU and Dr. Jayaraj, Professor Department of English, GRU have helped in many ways and I am thankful to them.

I appreciate the valuable assistance rendered by Mr. Ravi Kumar, Research Assistant, NIFT, Bangalore and Mr. S. P. Ramesh, Department of Political Science, GRU who spared their valuable time.

Mr. Philip Christopher and Mr. Solomon Charles have provided useful assistance. The laborious task of interviewing more than 600 persons for collecting primary data was supervised by Mr. K. Ashokan, Mr. A. K. Sathyamurthy and Mr. A. Rajesh Kannan.

I dedicate this thesis to both my father who enabled me attain higher academic levels and my beloved mother who’s happiest moments were to see me achieve intellectual goals.
