ACKNOWLEDGEMENTS

Looking back on completion of this humble contribution to creativity an abundance of thoughts floods my mind.

When I stepped into the vast realm of research the task at hand, appeared daunting. Little did I expect the myriad mercies that were to be showered on me.

My guide, Dr. Hemalata Parasnis was a veritable beacon. She remained the inspiration that drove me towards my goal. Ever willing to provide Sage Counsel, her Scholarship, fortitude and spirit of critical enquiry shall remain deeply ingrained in my memory.

The path I was treading was arduous but Dr. Parasnis always assumed the role of friend and philosopher which gave me moral support. I will always cherish this memory.

I am grateful to Dr. M. B. Kundale who gave me permission to use his test in literary creativity.

I owe sincere thanks to Mrs. Sharawati Kumarlingam, Headmistress of Ahilyadevi High School for Girls, Mr. Jayantkumar Tribhuvan, Headmaster of Abhinav Vidyalaya and Mr. Pardeshi, Headmaster of Modern High School, Pashan for their Co-operation.
