Mrs. P. Sandhya

Mrs. P. Sandhya is working as Assistant professor, Department of Computer Science, Amrita Vishwa Vidyapeetham University, Mysore Campus, Mysore. She completed her post graduation in computer applications from Visveswaraiah Technological University, Belgaum, Karnataka, with distinction and is pursuing her doctoral research work under the guidance of Dr. P. Deepa Shenoy Professor, Department of Computer Science and Engineering, University Visvesvaraya College of Engineering, Bangalore. She has more than 6 years of teaching and research experience. Her interests in research areas include Data mining; Neural networks Management of Neurodegenerative disorders. She has published 4 research publications in refereed International Journals, 6 research papers in proceedings of International and National Conferences. She had previously worked at Vishwanathrao Deshpande Rural Institute of Technology, Halyal, Dharwad and Graphic Era Institute of Information Technology, Deemed University, Dehradun, Uttaranchal. Presently she teaches Operating Systems, Software Engineering, Data Mining, to and post graduate students at Amrita University, Mysore campus, Mysore.
