I certify that the thesis entitled "Studies on Soil Enzymes of Orissa with Special Reference to Urease" submitted to the Utkal University, Bhubaneswar for the Degree of Doctor of Philosophy in Botany is a bonafide record of research work carried out by Basanti Kumari Patnaik, M.Sc, Reader in Botany, S. B. Women's College, Cuttack under my guidance and supervision. The experimental work was carried out by Miss Patnaik from 1980-1984 while she was a Teacher Fellow in the Ravenshaw College, Cuttack.

No part of this thesis has been submitted for any other degree or diploma. The help and source of information availed in course of this investigation have been duly acknowledged
