The present work "Studies on Soil Enzymes of Orissa with special reference to Urease", supported by University Grants Commission of India was carried out at Parija P.G. Department of Botany, Ravenshaw College, Cuttack.

I take the opportunity to express my deep sense of gratitude and honest indebtedness to Prof. D. Mishra, Ph.D (Manitoba) of State Council of Higher Education and Ex Dean, Faculty of Science, Utkal University for guiding me throughout the research work.

I am specially indebted to the Principal, Ravenshaw College, Cuttack and the Professor & Head of the Department Botany for providing necessary facilities to carry out the work in the laboratory.

I am grateful to the Director, Central Rice Research Institute, Cuttack (Orissa) for permitting me to avail the laboratory and library facilities from time to time. My thanks are to Dr.G.Sahu, Dr.N. Sethunathan, Mr. A. V. Suriya Rao, Mr. S. K. Nayak and other staff members of C.R.R.I for providing the most ungrudging help during the period of investigation.

I deeply acknowledge the commendable support rendered by Dr. R. K. Samal, D.Sc, Lecturer in Chemistry with his many valuable suggestions in the matter of analysis and presentation of the experimental findings.

I thank my colleagues, friends, well wishers both inside and outside the laboratory for their help and encouragements.

Lastly, I offer my sincere complements to my near and dear ones for all their encouragements.
