

## ACKNOWLEDGEMENT

*It has been a real pleasure, and education in many different ways, to be associated with Dr Fakir M. Sahoo whose supervision and guidance made this piece of research work possible. I am beholden to him for his tireless effort and unflagging zeal in going through the manuscript, correcting, suggesting, and thereby bettering it wherever it was so required.*

*I owe a deep sense of obligation to my teachers, colleagues, friends, and many others but for whose support and succour this attempt would have been a fiasco.*

*I wish to extend my gratitude to Mrs Reeta Sahoo for the interest she took in this endeavour. This indeed encouraged me.*

*I am very much thankful to Mr Bibhuti B. Ojha for his sincere help in printing the thesis.*

*Kudos to a chum like Umesh who assisted me in multifarious manner at the cost of his personal comfort. It really stood me in good stead in making the thesis attractive and accurate.*

*Last but not the least, my better half's inspiration is never to be forgotten.*
