ACKNOWLEDGEMENTS

This thesis has been kept on track and been seen through to completion with the support and encouragement and support of my well wishers, my friends, colleagues and various institutions and it’s a pleasant task to express my thanks to all those who contributed for the success of the study and made it an unforgettable experience for me.

At this moment of accomplishment, first of all I profound my heartfelt gratitude to Dr. Santosh Kumar Mehar, a truly dedicated mentor with a lot of innovative ideas. I am particularly indebted for his constant faith in my lab work, and for his support. Ever since, he has supported me not only by providing a research assistantship, but also academically and emotionally. He taught me to tolerate the difficulties and focus on the target, in order to get success. He’s been motivating, encouraging, and enlightening. He was the one who maintained patience to listen my ideas, guided me to reach the target. I shall always remember the complete freedom he allowed me to carry out my research work.

My profound gratitude and thanks to Prof. N. Savithramma, Head, Department of Botany who took the responsibility as In-Charge Supervisor. I would like to thank her for her understanding, encouragement and personal attention which helped me to complete my thesis work successfully.

I express my sincere thanks to Prof. G. Sudarsanam, Chairman, B.O.S., Botany, S.V.University, Tirupati, for his encouragement and support.

I am sincerely thankful to the Teaching staff of the Dept, Prof. N. Yasodamma, Dr. JSR Murthy, Dr. T. Vijaya, Dr. M. Madhava Chetty, Dr. K. Nagalakshmi Devamma and Dr. J. Kamakshamma for their academic support and encouragement.

I take this opportunity to sincerely acknowledge the Department of Botany and Sri Venkateswara University for providing necessary infrastructure and resources to accomplish my research work.

My special thanks to my College Principal P. Gnana Kumari, SPW P.G and Degree college, senior faculty V.V. Ramani, B. Padmavathi Devi, friends Y. Sunetha, K. Sai Kumari and colleagues.

I am thankful to our Botany Dept staff members B. Lakshmi, T. Meena Kumari, B. Surekha and B. Jyothi. My heartful thanks to B. Pushpa Latha for supporting me.

Words don’t suffix to express my deep sense of feelings towards my beloved father K. ASEERVADAM, Mother K. RAHELU, Son S. SUJITH CHRISTOFER, Sister K. SUSHUMA PRIYA, Brother K. SURENDRA BABU, Uncle D. DAVID and Aunt D. SWARNA LATHA for their love, affection and prayers showered on me to reach this position. I express my gratefulness to them by dedicating this work as a mark of my respect and high esteem.

I extend my profuse thanks to all the other non-teaching staff of Botany for their kind help in time of need. My special thanks to Basha for his timely support.
