Acknowledgements

I owe my first and foremost, love and gratitude to the Almighty of God for every blessing he has showered on me.

I take this opportunity to express my heartfelt gratitude to my research supervisor **Prof. Ch. Appa Rao**, Head, Department of Biotechnology & Coordinator, Pharmacy, for his constant motivation and support throughout the course of this investigation. His immense interest in science and his enthusiastic attitude will be cherished by me throughout my research carrier and through all walks of the life.

I express my deep sense of gratitude to **Prof. K. Thyagaraju**, Dean C.D.C & Chairman, Board of studies, Department of Biotechnology, **Prof. S.D.S. Murthy**, Chairman, Board of studies, Department of Biochemistry, **Prof. O.V.S Reddy**, Head, Department of Biochemistry and **Dr. M. Balaji**, Assistant Professor, Department of Biochemistry for their support and encouragement during the course of my research work.

I render my sincere thanks to **Dr. S. Imthiyaz Ahmed**, Principal & Founder, National Group of Educational Institutions, for his help and support for giving me an opportunity to work as a faculty of Biochemistry and also given encouragement to carry out my research work.

Diction is inadequate to express my profound sense of gratitude to my teacher **Dr. S.N. Rasool**, Head, Department of Biochemistry, National P.G.College, Nandyal, for his help in joining the Ph.D and for constant urging, encouragement, guidance and financial assistance.

I am extremely thankful to **Sri. M. Ismail**, Department of Zoology, S.V.U, for his immense help in analysis of histological slides, **Sri. S. Karimullah**, Lab Assistant, for preparing histological slides, Department of Pathology, College of Veterinary science, Sri Venkateswara Veterinary University, Tirupati.

My deeply indebted thanks to my senior **Dr. S. Abdul Nabi** (Post Doctoral Fellow, University of Hyderabad), who has inspired me right from joining of my Ph.D till my completion. I would like to express my sincere thanks for great help in carrying research work. The care and the progress monitored during my research work by him absolutely marvelous and outstanding.
I would like to convey a sincere and heartfelt thanks to my seniors Dr. K. Ramesh Babu (Post Doctoral Fellow, USA), Dr. S. Swapna (Research Associate, SVU), Dr. Y. Sireesha (Head, Department of Biochemistry, S.P.W. Degree & P.G. College, Tirupati), Dr. S.V. Prasad (Faculty of science, IASE, Nellore), Dr. Y.K. Prabhakar, for their constant support and ever-ready to help attitude. I shall always remember all those cheerful moments spent with them.

I express my heartfelt thanks for the suggestions and help rendered by my lab mates Mrs. Saritha, Mrs. B. Yamini, Mr. M.V. Jyothi Kumar, Mr. T. Krishna Tilak, Dr. N. Rajesh, Dr. N. Ramya, Mr. K. Peddanna and Mr. A. Rajasekhar.

I am thankful to other lab scholars Dr. M. Venkata Swamy, Dr. D. Sreenivasulu (PDF), Dr. B. Suman, Dr. M. Meena Bai, Dr. Varakumar, Dr. K. Naresh, Dr. B. Ramesh, Mr. P. Vijay Kumar, Mr. M. Sreedhar murthy, Mr. B. Vijay Kumar, Mr. S. Naga Sivudu, Dr. S.Adam, Dr. D. Gunasekhar, Dr. E. Anjineyulu, Mr. AyyaRaju, Mr. S. Arif, Mrs. G. Bhanumathi, Mrs. C. Pallavi, Ms. K. Divya, Ms. K. Kamala and Mrs. B.J. Divya, Mrs. S. Hemalatha, Dr. M. Ramgopal, Mr. Roopa naik, Mr. N. Venu Gopal, Mr. G. Srikanth.

I also thank my juniors P. Srinivasulu, K. Uma Mahesh, B. Praveena, B. Namratha Rani, A. Haarika, B. Eeshwari, P. Jyothsna, G. Muniswamy and G. Hanuma Kumar for the cheerful atmosphere they create in the department.

I extend my sincere thanks to other department scholars Dr. K. Linganna (PDF, South Korea), Dr. O. Ravi (J.L), Dr. Maddaiah (D.L), Dr. M. Ravi (PDF, China), Dr. Chandra Babu, Mr. Karuna Sagar, for their encouragement to complete my research work.

I also thank my friends and colleagues Dr. K. Venkata Subbaiah, Smt. Jenette, Sri. Gangadhar Naik (PGT), Sri. Ramesh Babu (TGT), Sri. N. Asif Basha for their encouragement in my study.

Diction is not enough to record my gratitude to my beloved parents Sri. M. Nazeer Ahmed (Teacher), Smt. S. Zaibunnisa Begum, for their acts of loving care, sacrifice, concern and cheerful cooperation throughout my educational career. I profusely thank them
for all the benevolence they have showered upon me which is the main source of inspiration behind my PhD work. I also express my heartfelt thanks to my brothers MD. Erfan Ali, MD. Rahman Ali, MD. Mannan Ali and also my only sister Smt. S. Ayesha for their loving care and emotional support.

I would like to thank Mr. Raghu, Mr. Guna Sekhar, Mr. Chitanya and Smt. Amuda non teaching staff, Department of Biochemistry, S.V.University, Tirupati for their help.

Last but not least, I extend my heartfelt thanks, deep sense of gratitude to all those who might not have been mentioned here in haste, but their deeds were greater than words and their contributions and assistance are engraved in the mind and heart.

SUBHAN ALI MD
