I would like to express my deepest gratitude to my Research supervisor, Dr. T. Vijaya, M.Sc, Ph.D, Associate Professor in Department of Botany, who invited me to join to this scientific journey. Not only for her guidance and support, but also for the amazing opportunities she afforded me that went beyond the realm of my work and which taught me what research in conservation and all about.

I extend my special thanks to Prof. Ch. Appa Rao, Head, Department of Biotechnology and Prof. K. Thayagaraju, Chairman, Board of studies, Department of Biotechnology for providing me valuable suggestions, critical evaluations and constant encouragement throughout my work.

I wish to thank Prof. P. Sreenivasula Reddy, Department of Zoology, S.V. University for his motivation and prompt assistance during my programme.

I express my special thanks to Prof. Dr. S. Dattatrya Rao, S.V. Ayurvedic College for his good wishes, moral support and to instill confidence was more than appreciated.

I express my deep sense of gratitude to my Big father Sri. Dandu Dass. You have instilled in me the endurance to see life’s opportunities and the perseverance to reach what, at times, appeared to be unattainable goals.

I want to express my acknowledgments to my friends CH. Murali Krishna, Palle V. Sasidhar, J.A. Pradeep Kiran, R. Meena, Naseeb, Each one has collaborated with on important knowledge that made me to grow up in scientific and also in personal life.

I can begin to measure the ways in which the members of my laboratory, N. Vasudeva Reddy, N. Venkateswarlu, D. Pragathi, K. Venkateswarlu, S. Aishwarya, G. Nalini, Dr. B. Pushpa Latha, Dr. I. Rama Manohar Reddy, Bukke Suman have supported and helped me with my research, but I think the most important to me was their friendship.

I am thankful to my prayer mates K. Kamala, G. Deepthi, Chandrakala, Subhasini and always showed affection towards me.
I wish to acknowledge and express my sincere thanks to Non-Teaching staff, Department of Biotechnology and Botany for their help.

I am equally grateful to my sister’ Dandu Niharika, Haritha, Navyatha Manisha, Preethi, Sreelatha, Amruthpuri Kiran, M.Sunitha, and my Brother-in- law M.Prabhakar with their moral support and sustained encouragement and their epitomy of patience for allowing me to choose my path for their faith in me and their endless love on me, and has a whole for providing the luxuries which I never craved for ..... 

Special thanks to my Sweety, Bunny, Rinky and cherry smiling and playing gave me all the courage and energy to do work.

Last, but certainly not least, I would also like to express my special thanks to my brothers. Nothing to say about the great help, tremendous and endless support, I wish to express my deepest and heartiest gratitude to my Brothers Dandu Kishore and Dandu Ravi Teja, who have loved me richly, for my well being all through.

I feel there is no word in this world to thank my father Sri.Dandu Mani and my mother Smt. D.Suseelamma aunt D.Satpal Kaur Jabbal, Grand ma Surjith Kaur Jabbal, for their immeasurable love, prayer and support and instilling in me an unreal determination and work ethics. I may not have taken a straight path but it was definitely interesting. I love you very much and hope that I can repay you someday for everything you have done for me.

Above all, God the All Mighty, for granting me the power, strength and ability to complete the study against all odd. Praise the Lord for making me the person I am today
